Dave Steyard Spontaneous Parade A Mammouth Event

NOW HEAR THIS — Says 13-year-old David Steward to reporter Nancy Lamb and his "secretary," Eileen Orman, as he outlined route for his parade Saturday. Miss Lamb, a 21-year-old journalism student from San Jose State College who is serving internship with THE RECORD, first heard David's life-long wish of "having his own parade," and told the story to newspaper readers in the area. The response was overwhelming. Saturday at 1 p.m., after only one week of organizing, the streets of Daly City will resound to the biggest parade here in years.
THE RECORD photo

DAVID ALLEN STEWARD is shown here at his home, which is doubling as his "office" this week, with his mother, secretary and brother. All kinds of individuals and groups are backing the youngster who "just likes parades." David and his "secretary" will appear on Wanda Ramey's KGO television show today (Friday) at 12 noon. It has even been suggested by some city officials that "David's Parade" become an annual event. The parade, which has been officially proclaimed by Mayor Joseph Verducci, will be held Saturday at 1 p.m., and will start at Crestwood drive and South Mayfair street in front of David's house. Shown here are the boy's mother, Mrs. Genevieve Boydston; David; his "secretary," nine-year-old Miss Eileen Orman and David's older brother Bob.
THE RECORD photo

DREAM COMES TRUE FOR YOUTH AS BIG DAY NEARS

Daly City Youth Anticipating Big Event In His Life

By Nancy Lamb

Young David Allen Steward's wildest dream will come true next Saturday when he sees his parade, made possible by the enthusiasm of the people of the Daly City area.

"I'm so nervous and excited my bones are jumping," David said when asked how he was looking forward to the big event.

"David's Parade" first came to the attention of **The Record** when the 13-year-old boy phoned this paper to place an ad recruiting people to join his parade.

"I just like parades so I decided to have one for all the children," he exclaimed in a matter-of-fact voice.

The boy's idea has mushroomed to such an extent that it has even been suggested by several city officials that the parade be made an annual event.

Exclusive Interview

The Record was able to acquire an exclusive interview with the instigator of the parade, and we found the young man, who wants someday to be a priest, lived up to all expectations.

After announcing ourselves and being greeted by the host, we were shown into the family living room and introduced to David's family and his young and pretty secretary, Miss Eileen Orman.

Nine-year-old Miss Orman, who lives across the street from David, is the daughter of Mr. and Mrs.

(Continued on Page 2)

A Daly City boy, anticipating the biggest event in his 13-year life, will be too excited to sleep Friday night.

"David's Parade" will be seen in all its glory Saturday because generous people have done something about a little boy who wanted a parade. Numerous organizations have volunteered to enter the festivities and make David Allen Steward's dream come true.

The youngster, who phoned this paper to place an ad recruiting people to join his parade, told this reporter that he "just likes parades" so decided to give one.

Everyone Loves A Parade

It's still not too late to join "David's Parade."

Persons who also "like parades" and would like to help David may phone THE RECORD office at PLaza 5-4321 or PLaza 5-4322 for information.

The parade will start at 1 p.m. on Crestwood drive and South Mayfair avenue in front of David's house. The instigator of the event will lead the parade on horseback as Grand Marshall in his new boy scout uniform followed by the United States Naval Electronic school band.

Give Up Liberty

Members of the band voted late Tuesday afternoon to help David with his parade. The band is made up of men from the Treasure Island Electronics school who practice and perform on their own time. The men are generously giving up their weekend liberty to appear in "David's Parade."

"I always knew the navy was the best," David announced to **The Record** when told of the band's acceptance to his invitation.

Plans for a "Little Miss Daly City" contest also are being formulated. The contest is open to all young ladies from the ages of three to five years. Judges will be members of the city council, who have given the parade their official sanction.

Party For Children In Parade

When David first phoned this paper he announced that there would be a party for all the children after the parade. Being rather vague about the details, David is now receiving help from more people who also "like parades."

The ice cream and cake party will be held in the Westlake Clubhouse, which has been donated for the big occasion. The Borden company, it was learned yesterday, will supply free ice cream for all the

(Continued on Page 2)

LOCAL POLICE TAKE HIGHEST HONORS AGAIN

The Daly City Police department takes top National Traffic Safety Council awards again this year for going through the entire year of 1953 without a single traffic fatality.

If no traffic deaths occur in the meantime, November will mark the close of the local police department's three-year non-fatality record, according to Police Chief Roland Pettrocchi.

Last year the local department received three awards for traffic safety. They were the California Safety council, American Automobile association and National Traffic Safety council first awards.

Daly City was among 24 California cities to win a place on the national honor roll this year. Other cities were San Bruno, Piedmont, Mill Valley, Mountain View, Huntington Park, Antioch, Bell, Fullerton, Hanford, Benicia, Claremont, Coalinga, Grass Valley, Lindsay, Lompoc, Martinez, Tracy, North Sacramento, Palm Springs, San Anselmo, Sanger, Sierra Madre and Susanville.

San Bruno also has not chalked up a traffic death for the past three years.

The cities of San Francisco and Los Angeles both won first place in their respective population groups.

The State of California won an honorable mention in the largest state category and in addition was voted two outstanding achievement awards for work in driver licensing and public information.

Earl F. Campbell, director of the Western Region office of the National Safety council, praised the California record and listed citizen and business support, fine law enforcement and the efforts of safety organizations as contributing factors.

"DE-COMMISSIONED" POLICE COMMISSION

Daly City's police commission is "out of commission" this week.

During past weeks the commission has been without the services of Victor Baher, who is confined to a hospital bed with a heart ailment.

Chairman Tony Ricci is now on vacation at Russian river.

The final stroke that put the commission out of service for a while occurred Sunday.

Edmund Whitney, secretary of the commission, was fixing a swing for his youngsters at his summer place in Ben Lomond.

Unaware that safety of his life and limb remained the last hope to keep the commission intact, Whitney fell from a perch about six feet high, landed on his neck and doubled it over, suffering a cervical sprain of his spine.

Whitney is now confined to his home, with doctor's orders not to work—either at his job as program director for KCBS—or on Daly City's police commission.

Although the commission's regular meeting is scheduled for Tuesday, the session has been postponed until August 31, for reasons obvious.

1-Ton Rock Hurtles Down Mountain; Stops Against House

A 43-year-old Daly City woman stood petrified this week as she watched a 2000-pound boulder careen down the mountainside above East Vista avenue and come to rest against her home.

Mrs. William Field, 129 East Vista, was looking out her kitchen window at the rear of her home Tuesday afternoon when she saw the rock missile come tumbling off the hill.

She was directly in the path of the rock but was seized by fear and could not move. The three-foot thick boulder rolled some 150 feet down the hill, smashed through the Field's retaining wall, garden, and bounced twice on the lawn before stopping directly against the house.

Heard Rumbling

"I could hear it rumbling like a thunderstorm and when I looked out the window I was so frightened I couldn't seem to move," Mrs. Field said yesterday, still nervous from the near tragedy.

Just six weeks ago a slightly smaller boulder landed in the Field back lawn. Mrs. Field was out working in her garden at the time, she said, and the stone missed her only by feet. The first incident occurred four years ago when a rock weighing about 500 pounds caromed off the hill into the Field yard.

"I can hardly sleep anymore," said Mrs. Field yesterday after two of the potentially destructive missiles had landed in her yard over a period of six weeks.

Off Smith Land

Source of the falling boulders is the Hugh Smith Sr. rockpile just east and above the Field residence. Smith has been dumping rock there from excavations at his quarry

(Continued on Page 2)

DALY CITY GIRL BADLY BURNED FROM CAMPFIRE

A 12-year-old Daly City girl suffered severe burns over most of her body Tuesday when flames from a campfire ignited her nightgown at a family outing in San Mateo Memorial park.

Ginger Walton, daughter of Mr. and Mrs. James Walton of 108 Knowles avenue, is now undergoing plastic surgery at Community hospital for third-degree burns on her body, legs and arms, according to the family. She also has received three blood transfusions.

The mother was forced to drive nearly 40 miles before the child could receive care. Mrs. Walton drove from the park, a redwood grove several miles west of La Honda, all the way to Belmont vainly trying to find help.

Ginger's uncle, Robert Dean, 21, of 112 Tucker street, San Francisco, hearing the screams, extinguished the flames by rolling the child in a blanket. With Mrs. Walton driving, they first went to Pescadero where a service station attendant told her to take the girl to Community hospital.

Car trouble developed as Mrs. Walton sped over the hills. An overheated motor made the mother fear that the car would stall, and the burned child would be stranded.

The frantic trip was further complicated when the car became involved in a minor collision at Sixth and Ralston avenues in Belmont.

Ironically enough, it was here that Mrs. Walton found help.

Special Patrolman Robert Martino, who was directing traffic, saw her trying to back the car away from the scene of the accident and ran to her side.

Seeing the burned child, Martino radioed for an ambulance which sped Ginger to the hospital. Patrolman Jim Winters, with siren open, provided escort.

The child's father is caddy master at the Lake Merced Golf and Country club.

CITY TO CHECK LEGALITY OF "PASSING" SERRA

City officials are not happy with the action of Joint Highway District 10 turning maintenance of Junipero Serra boulevard over to Daly City.

The city is currently checking the legality of such action. "I want to find out whether the highway district was set up in such a manner that they are entitled to pass their financial responsibility over to cities," City Administrator Dan Andersen said.

It is estimated that cost of maintaining the 4500 feet of the highway in Daly City would run into thousands of dollars, Andersen pointed out.

According to highway district, the section of Junipero Serra boulevard that are declared completed may then be turned over to the cities and county to maintain.

Andersen said the district is apparently preparing to dissolve itself and wants to be rid of all obligations.

"We weren't even given a chance to be heard before they took this action," Andersen continued.

He says the city may seek to have Serra established as a state highway.

Daly City's chief argument against taking over the section of Serra within the corporate limits is the fact that only five per cent of the 30,000 vehicles which each day travel the boulevard are Daly City autos.

Up to now, Daly City has handled sweeping of the boulevard, but maintenance has been the responsibility of the district, which built the highway originally.

Young DC Mother Killed Instantly In Freak Accident

A 20-year-old Daly City mother was killed instantly Wednesday when the car in which she was a passenger collided with another automobile in San Francisco.

Mrs. Lydia Neely, 260 Abbott avenue, was flung from the car and struck on the head by the bumper of the auto in which she was riding. Mrs. Neely's daughter, two-year-old Linda, and her brother-in-law, Karl Neely, 25, who was driving the car, also were hurled to the street from the impact of the crash.

The child was bruised, and Neely suffered cuts on the face and scalp. Both were treated at Park Emergency hospital.

Mrs. Neely's husband, Curtis, who works in a nearby food market, was among those who went to the scene of the accident. He became hysterical when he learned his wife had been killed.

Driver of the other car, Mrs. Sally Kwart, 29, wife of a navy aviator, of 2395 29th avenue, was booked on suspicion of manslaughter. Police officers Charles Murray and Paul McGoran said she was speeding through the intersection at 29th avenue and Irving street at the time of the collision.

Police said that Mrs. Neely was thrown out of the car but her dress apparently caught on the rear bumper. After being dragged ten feet, she was hurled another ten feet to the sidewalk when the cloth tore.

Mrs. Kwart and her 4-year-old son, Michael, only occupants of her car, escaped the accident with bruises. Police said the Kwart car was practically demolished.

Funeral services are pending.

Insurance Group Defines Policy For DC City Council

Policy of the newly-formed North Peninsula Insurance Agents association was investigated by the city council Monday night. City Attorney Frank Blum told the council the organization was "non-restrictive."

The association is a non-profit group of North County agents who wish to handle the city of Daly City's insurance and to "foster sound and legitimate insurance practices."

Walter Rector spoke for the group at the Monday night meeting. He explained to the council that the association would act as advisers to the city.

"The association also is plan-

(Continued on Page 2)

SCHOOL BOARD WILL REJECT "SWITCHED" BIDS

Because the "error was obviously clerical" according to the district attorney, the Jefferson Elementary School district board will probably reject the "switched" bids on two school projects, it was learned this week.

In opening bids last week for multi-use rooms at Crocker and Jefferson schools, it was discovered the Martinelli firm had placed bids in the wrong envelopes.

Thus, Martinelli's $99,700 figure on the Crocker job was more than $24,000 below the next lowest bid, while his price of $122,000 on the Jefferson project was almost $22,000 above the next highest bid.

Martinelli asked that both bids be withdrawn when the mix-up was discovered, although had the bids been placed correctly, he probably would have won the Crocker contract.

The Crocker work will probably now go to Ralph Larsen & Sons, at a price of $123,513, while Joel Johnson & Sons, with a figure of $96,457, presumably will get the Jefferson job.

The board of trustees were scheduled to meet last night (Thursday) and adopt the budget for the 1954-55 fiscal year.

It was announced today that work is in progress on a $425 play pit at Woodrow Wilson school. The pit will contain such play apparatus as slides, walking bar, monkey rings, and pyramid bars. K. C. Martin is the contractor.

THE TOWN RECORD

By MONTE DAYTON

Did you notice there's no mention of the 25-cent monthly discount for paying early on the latest water bills?

It's still in effect, but this subtlety of ommission may be the first step in eliminating the discount.

Daly City is the only municipality in the county that still gives a discount for early payment.

Re all the Exchange club's nationally publicized racial controversy, have you seen the Exchange club sign on Junipero Serra in Daly City that is headed, "The American Way?"

Councilman DEL WILSON, a realtor, recently did a nice piece for newspaper publication on the danger of too many "For Sale" and "Open for Inspection" signs in public places.

Hurts the value of property, says he.

We see this week a sign smack dab on the sidewalk, big as life, advertising "For Sale" a home be-

(Continued on Page 2)

COUNCIL PLEDGES AID, PROCLAIMS "DAVID'S PARADE"

The city council Monday night heard a address by the youngest speaker ever to appear before the meeting.

Thirteen-year-old David Allen Steward, who is holding a parade next Saturday, asked the councilmen to assist him in his venture. Although confiding to **The Record** that he was "a little nervous about meeting Mayor Joseph Verducci," David gave a convincing extemporaneous speech.

"I've never met a mayor before," the boy explained before giving Mayor-Football Coach Verducci a hearty handshake.

David, backed up by his secretary, nine-year-old Eileen Orman, told the council about the enumerable details of his parade. The council then voted and approved an official proclamation of "David's Parade."

"If you want to be perfect," David told the city officials, "you'll help my parade."

The council, after serious deliberation, decided upon "being perfect" and pledged assistance towards prizes for "David's Parade."

They also agreed to act as judges for the parade, and Mayor Verducci promised the boy that he

(Continued on Page 2)

DeBernardi Asks Parking Meters For Two Center Streets

A suggestion of installing parking meters along Park Plaza and Lynnewood drives was brought before a joint meeting of the city council and parking authority Monday night by Councilman Micheal DeBernardi. The streets run along either side of the Westlake Shopping center.

"I have often seen cars parked all day on these streets," DeBernardi told the meeting.

Councilman Edward Dennis also recommended to the council that they consider changing the time on parking meters for 9 a.m. to 5 p.m. rather than the existing time of 8 a.m. to 5 p.m.

"No one is even on the street at 8 a.m.," he explained to the joint meeting.

The newly formed parking authority met with the city council in order to discuss duties and formulate plans.

City attorney Frank Blum explained to the joint meeting that the parking authority had great power because it is the only commission which is set up by the state legislature. He added that the commission will gain this power after presentation of plans which precedes the passage of a second ordinance by the city council.

(Continued on Page 2)

OFFICIAL PROCLAMATION

WHEREAS, young David Allen Steward, an enterprising youth has by his own volition, created the interest of many organizations in having a big parade on Saturday, August 7, and;

WHEREAS, the public have received David Allen Steward's idea;

I, THEREFORE, proclaim that on Saturday, August 7, at 1:00 P.M., a parade shall be held, that said parade shall run on South Mayfair Avenue in a Westerly Direction to Crestwood Drive and shall go South on Crestwood Drive to Southgate Avenue, thence East to Park Plaza Drive, along Park Plaza Drive to South Mayfair, East on South Mayfair to the Westlake Clubhouse.

JOSEPH J. VERDUCCI
Mayor of Daly City

Dream Comes True For Youth As Big Day Nears

(Continued from Page 1)

Arthur Orman, 74 Crestwood drive.

It seems that she is David's official assistant in all his promotion ideas. Although we didn't have the opportunity to see Miss Orman perform regular secretarial duties, it is clear that she is David's right-hand woman.

"I have to take my secretary with me for my next appointment," David explained to us when we offered him a ride. The newspaper interview obviously had been squeezed in between David's many other business activities.

Surprise For Mother

David lives with his mother and two older brothers, Bob and Mike, at 81 Crestwood drive in Westlake. His mother, Mrs. Genevieve Boydston who is the personnel counselor for Enterprise Employment agency, didn't pay much attention to David's conversation about his parade until she saw the amazing reception.

"It's nothing new though," she laughed, "David has been astonishing me throughout his 13 years."

At the tender age of four the enthusiastic youngster first showed signs of promotional ability.

Mrs. Boydston relates that she became very worried when he son disappeared one day and didn't come home until after dark. Finally David appeared with the story that he had somehow acquired some throw-away automobile pamplets and had been selling them for 25 cents each.

"And he had more than five dollars to prove it," Mrs. Boydston explained.

Colleted for CP Telethon

Each year David collects money for the Cerebral Palsy telethon. This year he reports that he collected $31.31 all by himself.

A few years ago while the family were living in San Francisco David got hold of another promotion deal. Across the street from the house was a vacant lot where people used to park their cars free of charge. One summer David made more money than his two older brothers with paper routes. It seems the youngster used to devote about an hour of each day helping people in and out of their cars.

"Davey also has instigated plays, circuses, magician shows, baseball leagues and I don't know what else," his mother added.

When asked if they had all been successes, Mrs. Boydston applied in the affirmative, which to our minds is an indication of things to come next Saturday.

The Town Record

(Continued from Page 1)

ing handled by the company that employs Wilson.

DR. LIONEL FARBER, newest addition to the library commission, appeared on DR. TOM GROODY'S TV program Friday.

Dr. Farber, member of the chemistry department at UC, demonstrated a "stinkometer," a mechanism with a supersensitive snifter that smells smells the human nose can't smell.

Internal strife:

BURT PERKINS, the gent who's working to start a "Westmoor Transit Lines" here to replace the San Francisco Municipal Railway, is a bus driver for the San Francisco Municipal Railway.

WILLIAM "BILL" MENDOSA, who, when no worthy opponents were around, used to have the courtesy to flatten me with one punch in workouts at the San Jose State college gym, is the newest addition to the athletic department of the Jefferson Elementary school district.

Bill was a top-ranking welterweight on the late DEE PORTAL'S crackerjack varsity boxing squad at the alma mater.

The public relations man at Pebble Beach tells us Mr. and Mrs. P. C. HEFFERNAN of this city are honeymooning at Del Monte Lodge.

That is all.

SF Girl Hurt When Car Rams Into Pole Here

A San Francisco girl suffered major injuries at 2:40 a.m. Wednesday when the car in which she was a passenger rammed head-on into a pole in front of King's market on Junipero Serra boulevard.

Adrian Edger, 18, of 484 Poplar avenue, was pronounced in satisfactory condition at Peninsula hospital this morning (Thursday). She suffered a compound fracture of the right knee and severe cuts on her face and legs.

The driver of the car, Marine William F. Muhilly Jr., 19, 477 Elm street, San Bruno, was cited by police for driving without due caution. Muhilly was taken to Junipero Serra Emergency hospital for minor injuries.

Daly City Youth Anticipating Big Event In His Life

(Continued from Page 1)

youngsters in the parade, and Henry Doelger has promised free cake for the event. All children who enter the parade are invited to the party by David.

Other organizations who have volunteered their services to the parade are the color guard and 55-man marching unit of the Vista Grande platoon, national guard, local Boy Scout troops, the Pepperettes, Eagles, Veterans of Foreign Wars, American Legion, Broadmoor Youth council and Village Play school.

Pepperettes Help Out

The Pepperettes, who it is tentatively planned will proceed before the navy band, is a championship group of majorettes who are taught by Mrs. James Sunderland, the wife of a local police officer. Five of the youngsters have volunteered to perform in "David's Parade." They are Betty and Peggy Johnson, Arlene Callan, Joy Beecher and Kathy Silva.

It was also learned this morning (Thursday) that the Junior Drum corps of the San Bruno American Legion, who have just returned home from winning the state championship, will enter the parade.

Boys participating will be Fred Steffan, Davey Braunstein, Charles Touchatt, Jerry Bond, Vinton Koklich, Jerry Marshall, Larry Sousa, Douglas Sievers, Ronald Schmidt, Gary Grassi and John Jones. Majorette of the group is Carmen Conner.

Rec Dept. Joins In

The recreation department has offered David full cooperation. The local parks are each building a float to enter into the parade. Plans for entering contestants to the "Little Miss Daly City" contest also are being made by the different parks.

The Department expects that at least 100 children from the different parks will participate in the event. Archers and Tumblers will be featured, according to Jim Mason, head of the department. Mason also said that decorated bicycles and tricycles to be entered in the anual "Vehicle Day Parade" next weekend will take part in "David's Parade."

Henry Doelger, Westlake builder, has pledged his assistance to the young promoter and has even donated a covered wagon for the event. He also promised the boy this week that besides free refreshments for the children's party after the parade, he would provide a prize.

The Mar Vista Stables are donating David's horse plus part of a collection of unique wagons and an old Victoria. A prize of free riding lessons also was promised by Owner William Zappettini.

Daly City Chamber of Commerce, Lions, Rotarians, Westlake Improvement association, Daly City Drug company, and Tom Callan Jr. are more of those who have generously promised aid to the youngster.

Loans Fire Engine

It is a well-known fact that all children, along with most grownups, love fire engines. Knowing this, Fire Chief Elmer Kennedy has said that David may "borrow" a shiny, bright red fire engine for the event.

The new garbage truck has also been promised for the event by Bob Hunter.

The Daly City police department will offer full cooperation for the parade. Four extra officers will be assigned to the area, according to Chief Roland Pettrocchi.

The chief also announced this week that Westlake streets will be blocked off in order to make room for the parade, which will proceed from South Mayfair avenue and Crestwood drive to Southgate avenue, from there to Park Plaza avenue, from which it will proceed to South Mayfair and on up to the Westlake clubhouse.

Reviewing Stand

City Administrator Dan Andersen told David at the city council meeting Monday night that he would make all arrangements for the reviewing stand which will be placed on Southgate avenue. Andersen informed **The Record** this week that the stand will be flagged and draped as is appropriate for such an important occasion.

$500 Damages To Police Car In Serra Wreck

The Daly City police car nearly demolished in an accident at Junipero Serra boulevard and Knowles avenue two weeks ago will cost $500 to re-build, it was announced this week.

City Administrator Dan Andersen said he has received a bid to repair the car for that amount.

Andersen is also seeking an estimate of the car's value on a trade-in for a new vehicle.

The city auto has been driven 37,000 miles and the administrator says it may not be worth repairing.

The car, while covered for public liability and property damage, was not insured for collision.

PART OF THE NEW RECORD. Jerry Mincher, Gateway Chevrolet Dealer, 7400 Mission street, hands Bill Kennedy the keys to a new Chevrolet truck, one of the many units that helped put Gateway ahead of all Bay area dealers in the sale of new and used autos and trucks for the first half of 1954. It took less than two years in Daly City for Gateway to reach this great height in sales. (Kneeling from left to right) are Les Volkman, and Superintendent Julie Selmi of Kennedy Electric Co., 6239 Mission street.

THE RECORD photo

Council Pledges Aid, Proclaims "David's Parade"

(Continued from Page 1)

would act as master of ceremonies for the event.

City Administrator Dan Andersen, who has had experience in such events, told the young novice that he would be happy to help him iron out any details.

Councilman Edward Dennis raised the question, "What would you expect us to do if the boy down the street came to us next week and wanted us to donate money to his parade?"

"Well, Sir," David replied, after giving the question serious thought, "It seems to me that that problem wouldn't be up to me, but rather up to you."

Local real estate man Tom Callan Jr. also came through with a donation of $25 to go towards prizes for the youngsters in the parade. Callan, who was at the meeting to discuss business, heard David's plea and joined the bandwagon.

DeBernardi Asks Parking Meters For Two Center Streets

(Continued from Page 1)

"The parking authority must first show the necessity of off-street parking plus establishing cost and place," he told the meeting.

He added that money may come from three sources: revenue bonds, assessment bonds or general obligation bonds.

It was suggested by Mayor Joseph Verducci that the parking authority work in close harmony with the planning commission.

"Parking so far as zoning is concerned is a function of the planning commission," Blum interjected. He continued that the main purpose of the newly-formed board was to "relieve the parking situation," but added that the condemnation was a function of the parking authority and not of the planning commission.

Chairman of the new commission Walter Rector told the council that his board will work first of all to prevent the parking situation "from getting any worse."

"We plan to conduct a thorough investigation of other cities and hope to eventually establish a master plan for off-street parking," he explained to the council.

Insurance Group Defines Policy For DC City Council

(Continued from Page 1)

ning on making a survey of the city's insurance program to see if it might be improved," Rector added.

Councilman Micheal DeBernardi raised the question of whether or not the city would have the right to go outside of the association and deal with an individual agent.

"It would be better to give the job to the association which is interested in the city's welfare," Rector answered. He added that he didn't know why an individual company would refuse to join the group which is open to all reputable companies who deal primarily in insurance.

"Besides, an agent pays $31 to join and makes $100 from the county right away," he added. "An agent makes a profit just by joining the association."

Muni Court Levies Fine, Jail Term On DC Motorists

A $25 fine and a five-day jail sentence were handed out in Municipal court yesterday (Thursday) to two errant Daly City motorists.

Ralph McKenzie, 18, of 6444A Mission street, was sentenced to five days in the county jail. Daly City officers picked McKenzie up Wednesday night and charged him with driving without an operator's card. It was McKenzie's second traffic offense, police said.

Irene Cescolini, 29, of 10 Forrest Grove drive, was charged with being drunk in and about a car yesday (Thursday) morning at 5:25 a.m. Officers found her in front of the Jefferson high school. She was fined $25.

Council Studying Annexation Problems

Problems of annexation were considered by the city council at a study session Monday night.

Councilman Del Wilson made the suggestion that each lot to be annexed be assessed $30. He claimed that the city would make a profit of $20,000 if his program was put into effect.

"The money could go towards a new city hall building fund, an emergency hospital or the recreation department," Wilson said.

City Attorney Frank Blum objected to Wilson's suggestion on the ground that piece annexation always involves a lot of trouble. He added that the council should set a policy as to the amount of property which will be annexed to Daly City.

The council turned the matter over to City Administrator Dan Andersen for the time being. They requested Andersen to send for literature on annexation from the League of California Cities so that the council might better study the problem.

MONDAY ON MUNI BUS SERVICE HERE

Monday at 2 p.m. the San Francisco board of supervisors will pass their judgment on Daly City's proposal to continue providing Muni transportation here.

A public hearing will be held in the San Francisco city hall on the plan to eliminate transfers on the No. 56 (cemeteries line) and shorten the route of the No. 76 (Broadmoor).

If the supervisors approve the proposals, the system will be put into operation on a six months trial basis, to determine if the Muni's annual operating loss of $61,000 can be eliminated.

Subdivision Law Discussion Tuesday PUBLIC HEARING

Daly City's planning commission, council and department heads will get together Tuesday night at the city hall to discuss a proposed subdivision ordinance.

The statute has already been written up and only minor changes are expected to be made.

The planning commission will first hold their regular meeting at 8 p.m. prior to meeting with the council and department heads.

A discussion of the proposed industrial development scheme, as submitted to the county planners last week, will be held.

SOFT BRAKES

CONTROLLER ARRIVES FOR LOCAL SIGNALS

Traffic Engineer Says Project On Schedule

Arrival of the intricate controller equipment has almost assured completion of Westlake's three-way traffic signals this month.

The expensive mechanism, costing an estimated $10,000, arrived from the east and will be installed after a final check of its operation.

The controller will coordinate movement of traffic at both Alemany intersections, being interconnected and traffic actuated.

Installation of the traffic-actuated system combining two intersections will mark an innovation in northern California traffic regulation.

R. L. Richardson, district traffic engineer, said that tieing in the two systems is a "very complicated" procedure, but indicated the signals should be in operation by the end of ths month.

Concrete was poured last week for the island dividing Alemany and the left-turn lay-over.

Paving on the north side of Alemany is completed, and paving on the south side is progressing on schedule, Richardson said.

Contractor on the job is L. C. Smith Co.

Overall cost of the signal project is $85,155.

HARRY BROWN DENIES ANTI-INCORPORATION

Harry Brown, Broadmoor police commissioner, this week staunchly denied that he made statements against incorporation or annexation of the Broadmoor police district into a municipality.

A tabloid shopping news distributed locally said last week that Brown is against either incorporation or annexation, as proposed recently from some Sterling Park residents.

Brown's formal statement said, "I wish to advise that I have never stated my personal views to anyone regarding this matter and therefore am at a loss to understand the statement or the source of information."

The commissioner maintained that, "any topic of incorporation or annexation is a matter to be discussed and decided by the residents of this district and is not a matter which should be sponsored, discouraged or advanced by the police

"Any personal feelings that I may have, either pro or con, have never been discussed by myself regarding this matter."

FIRE FIGHTERS BATTLE WASHERS, GRASS THIS WEEK

Where there's a washing machine, there's smoke, seemed to be the axiom this week.

The Daly City fire department was alerted no less than three times this week by smoke scares, which proved to be caused from faulty motors in the machines.

Yesterday (Thursday) morning the firemen responded to 6 Fleetwood drive. On Wednesday at 9:22 p.m., just down the block at 36 Fleetwood drive, another smoking machine put firemen on the run, and Monday, at 10:20 a.m. the department put in a call to 328 Hillside boulevard for the same reason.

Other than a grass fire Tuesday near East Vista and the Brunswick cut-off, and washing machines, the week was quiet on the fire department front.

1-Ton Rock Hurtles Down Hillside

(Continued from Page 1)

property at the intersection of Hillside boulevard and Mission street.

The fact that Mrs. Field has just watered her back lawn earlier Tuesday probably saved her from serious injury or death.

As the massive stone hit her lawn, the momentum would have been enough to drive it through the stucco house and into the front room had the lawn been hard.

But as the stone hit the lawn, it sunk into the ground about a foot, bounced again into the soft earth and then rolled up against the house.

Mrs. Field was standing almost directly in its path.

Was To Paint Wall

But it could have been worse. Had Mrs. Field not suddently decided to take her son, Bobby, 10, to the dentist early Tuesday afternoon, she would have been in the back yard painting the retaining wall.

She had purchased the paint and intended to do the job that afternoon, but decided there wasn't enough time after returning from the dentist.

"When the rock fell all I could think about was, 'Where's my son?'" Mrs. Field said. At the time he was playing in the front yard, out of danger.

Mother Out Walking

Mrs. Field's 76-year-old mother, Bertie Robertson, who lives with the Fields, was fortunately out walking when the incident occurred.

"Last time this happened she had a stroke," Mrs. Field said, on the verge of tears.

"I don't know what we'll do," Mrs. Field continued.

"I've asked the city administrator if the city could do something about this sitauation. We've been citizens here for eight years. I don't know what we'll do," she repeated.

Art items selected for showing at the California State Fair, Sept. 2 through 12, total 370 for northern counties and 202 for those south of the Tehachapis. All told the work of 369 exhibitors was chosen by the jury.

DIVER HITS TREE, SUFFERS INJURIES

Walter M. Bennett, 32, 200 Hillcrest drive here, was released from the hospital Saturday after suffering a concussion and other injuries when he crashed his car into a tree 500 feet north of Broadway on El Camino Real in Burlingame last week.

Police said Bennett apparently lost control of his car while driving north on El Camino. He was taken to Peninsula hospital for emergency treatment and later transferred to Kaiser Foundation hospital in San Francisco. He suffered broken nose, concussion and lacerations.

Bennett is employed as a waiter at the Shadows restaurant in San Mateo.

MONDAY IS DALY CITY DAY AT COUNTY FAIR

Monday has been set aside as "Daly City Day" at the annual San Mateo County Fair and Floral Fiesta.

At the same time, Brisbane Day will be observed, as will Peninsula Published Newspaper Boys day.

Gates open at 10 a.m. on that day and children under 12 years of age will be entered free.

The program will be held all day long, and will conclude at 9 p.m. with the Fiesta Jubilee.

INTERROGATIVE FOR THE BOARD

We'd like to ask the county board of supervisors and the county manager, point blank, what happened to the north county park and recreation area that was discussed so optimistically nearly six months ago?

Some several months back the board, in a formal vote, directed the county manager to investigate the north county area and recommend a site for acquisition as a park.

Well and good.

The county planning and recreation commission then stepped in to give yeoman assistance and about four months ago recommended to the supervisors that the county purchase 175 acres of property between Junipero Serra and Skyline boulevards, which extends south to Sneath Lane outside of San Bruno.

On April 5 Daly City's council passed a resolution urging immediate purchase of the park. Four other north county cities followed suit.

That same week county manager Robert Stallings said acquisition of the site "might be completed within a month."

Purchase of the picnic, camping and recreation area had the backing of the board of supervisors, the county planning commission, recreation commission, and the North County Council of Cities, which includes Daly City, San Bruno, South San Francisco, Millbrae and Colma.

Some four months have now elapsed and the topic of a north county park has not been broached formally before a meeting of the board of supervisors.

Since the county manager will be gone for a couple of weeks, purportedly on a business trip, he can not answer our original question.

That leaves only the county supervisors.

Are you ready for the question?

ADVICE ON THE UNITED CRUSADE

We would like to advise Daly City and San Mateo county residents who may contribute to the United Crusade drive coming up that the 1954 campaign in this county will be conducted separate and apart from the San Francisco and East Bay groups.

No cooperative method of raising and distributing campaign funds throughout the Bay Area has been arrived at as yet.

That means if you work in San Francisco, and give your donation there, San Francisco residents benefit.

San Francisco, with a little more than double the population of San Mateo county, last year received ten times as much in contributions, primarily due to gifts made as a result of the "give where you work" appeal.

If you want to contribute in San Francisco, just remember you aren't doing your fellow citizens in San Mateo county any good.

That may be real charity, but it should begin at home.

Letters To The Editor

Daly City GI Studies At Ft. Monmouth, N.J.

Dear Sirs:

I would like to thank you very much for sending THE RECORD to me here at Ft. Monmouth. It's been nice to read about the people back home and all the happenings I've missed, but it won't be too long when I'll be back—less than 20 months.

After I finished basic at Ft. Ord I was sent here to go to the teletypewriter equipment mechanics school, an 18-week course. So far I've finished six weeks of the course. When I finish school I'll make Pfc. and get a specialists' rating.

When I get out I'll go back to school at Cal to finish up my senior year on the GI bill. This training will help later on since I was studying mechanical engineering.

I'd appreciate it if you could possibly print my address in the paper so I can get in touch with some of my friends at Jefferson, and the grads, too.

It's really great to receive mail from home.

You know there's nothing like Daly City weather. Back here it's in the 90s and 100s every day and very humid, making it extremely uncomfortable sometimes.

I haven't met any other Daly City boys here yet, but I did take basic with three others — Fred Bricker, Taisto Pethman and Paul Galliano. We had lots of fun together.

I'd like to thank you again for sending the paper for the last four weeks. It's the best communication with the home town.

Sincerely,
Pvt. William Evans

Safety News

PERMANENT REST

Practically all of us look forward to the weekend as a time for rest and pleasure. We can catch up on our golf game, work around the house and have some fun with the children. It's the time for going to church, watching television, listening to the ball game or visiting or being visited by friends.

The weekends are all of those things — except on the highways. In 1953, 15,800 persons were killed, and 800,000 were injured in weekend accidents, according to figures compiled and recently released by the Travelers Insurance companies. Forty-one per cent of the deaths and 36 per cent of the injuries were recorded on Saturday and Sundays in 1953.

Saturday continued to be the most dangerous day of the week. One reason is that more cars are in use Saturday than on any week day. There is another distinguishing feature which sets this day apart from the others. For too many people, Saturday night is a time when drinking and driving combine. No one knows exactly how many traffic accidents are caused by drinking drivers but everyone knows it is a major problem. Everyone needs to know that even one drink before driving is too many.

Weekends are indeed a time of rest. For too many they are the beginnings of permanent rest.

TRAFFIC REGULATIONS

Wise motorists know that traffic rules and regulations and the laws of safety on which they are based operate to the motorist's advantage and that it is to their advantage to see that these rules operate. They therefore practice a great deal of self enforcement of these rules and regulations. What is your attitude towards the traffic rules and regulations? Do you practice a wise self enforcement?

My Mad World

By Leonore Brewer

One hears on all sides the sounds of weeping and wailing and gnashing of teeth by small theatre operators. Some admit their theater is kept open only by the sale of popcorn (Newsweek, June 28, p. 73); some face the prospect of their theater being turned into a supermarket (THE RECORD, July 22). There has even been a case where a theater has been able to remain open only because of a subsidy from the local business men (Langsford, N. D.). This is an unhappy situation which brings joy to no one except possibly the manufacturers of aspirin.

Wel, boys, cheer up. Today we are the bearer of glad tidings. Metro-Goldwyn-Mayer has help on the way in the shape of one of the most effervescent musicals to come out of Hollywood in many a long day—"Seven Brides for Seven Brothers."

The dance creations are some of the most imaginative that Michael Kidd has yet devised, and for our money the chorus of brothers is the star of the show. It should be. It includes Matt Mattox, Marc Platt and Jacques d'Amboise. The latter recently appeared as soloist with the New York City Ballet; Marc Platt, also known as Marc Platoff, has too long a ballet history to enumerate here, and Matt Mattox's appearance with the Civic Light Opera have been the highlights of "Brigadoon" (1954) and "Carnival in Flanders" (1953). Mattox is our favorite and we intend to see the picture again, just to watch him.

The story, admittedly modified a bit, is as old as Plutarch and has as its most recent ancestor a short story by Stephen Vincent Benet, "The Sobbin' Women," which incidentally is the title of one of the eight lilting tunes which Gene De Paul and Johnny Mercer have composed for this Ansco-colored CinamaScopic gem.

It all starts innocently enough when Howard Keel brings home a bride, played by Jane Powell. The trouble is that Adam has somehow forgotten to tell his bride about his six brothers, nor has he made any mention of how they live, which is like pigs with manners to match. This isn't quite what Jane had anticipated, but she's a healthy, strong-minded young pioneer woman and it isn't long before she has everything under control and is even getting the brothers interested in being attractive to girls, in a delightful "Goin' Courtin'" sequence which is so good that it is a pity the screen can't handle encores.

The brothers get a chance to practice their newly found manners while attending a barn-raising, where they provide such competition for the local swains that what begins as a friendly neighborly gathering rapidly degenerates into an hilarious free-for-all. Back home in disgrace they find that their single-blessedness isn't so blessed any more, and since they are definitely persona non grata with the villagers, there is only one solution—steal their brides in the tradition of Plutarch, whose "Lives" is one of the two books in the house.

It has long been our belief that it is a mistake to detail a film story, that there should be something left for you to find for yourself, so this is as far as we're taking you. From now on, you're on your own and what a wonderful time you're going to have!

Daly City Student At Santa Barbara

Among the new students admitted to Santa Barbara College of the University of California for the coming fall semester is Sheldon Charles Manaster, 33 Belmont drive, Daly City.

Other new students in this area are in the process of being accepted by the Santa Barbara Branch of the University.

A new experience is in store for Santa Barbara College students this fall when the school opens for the first time on the large seashore campus of over 400 acres, located 10 miles up the coast from the city of Santa Barbara.

For the first time, also, graduate students working toward the master of arts degree in selected fields will be enrolled.

The deadline for the admission of new students is drawing close and those planning to enter the college for the first time are urged to take immediate steps. The final date for undergraduates to submit applications and other credentials for admission is Aug. 16, announced Dr. Paul W. Wright, Registrar. Aug. 2 is the deadline for graduate students.

Accident Report

Total: Five.

Breakdown: Four auto-auto. One auto-pedestrian.

PLEASE!

A LOT OF US MAY NOT GET ANY MORE HELP BECAUSE THERE'S NO MORE MONEY LEFT IN THE MARCH OF DIMES!
YEAH - THAT'S BECAUSE THOUSANDS OF US GOT VACCINE AND GAMMA GLOBULIN SHOTS THIS YEAR

GIVE TO THE EMERGENCY MARCH OF DIMES - NOW!

SERVICEMEN

CORPORAL YATES RETURNING HOME

Cpl. Richard A. Yates, son of Mr. and Mrs. George W. Yates, 568 Bellevue avenue, Daly City, is returning to the U. S. after serving with the 720th Military Police Battalion at Camp Tokyo, Japan.

Corporal Yates, a mechanic, entered the Army in August 1952 and arrived overseas during February 1953.

Jess Martinez To Leave On 3rd Cruise

Jess Martinez, machinists mate aboard the U. S. S. O'Brien, is home on leave visiting his parents, Mr. and Mrs. David Martinez, 61 Alexander avenue.

Martinez, who had been on two overseas cruises, will embark on his last cruise this month.

He has eight months remaining to serve in the Navy.

Martinez, who has been receiving his regular free copy of THE RECORD, sent to all servicemen, said he has "really enjoyed" reading news about his home town.

MARINE CORPORAL IN BIG CEREMONY

Marine Cpl. Franklin L. Martin, Jr., son of Mr. and Mrs. Franklin L. Martin of 372 Bellevue avenue, Daly City, took part in an historical retirement ceremony at Pearl Harbor July 31, according to a news release.

A brigade parade and review and jet aircraft flyover was the official "Aloha" to Lt. Gen. Franklin A. Hart of Eufaula, Ala., first Marine commanding general ever to retire outside the continental United States.

The General and Mrs. Hart departed afterward for the mainland. He had commanded Fleet Marine force, Pacific, which includes two-thirds of the Marine Corps combat forces, since January 1, 1952.

He was advanced to four-star rank upon retirement for having been specially commended in combat. His successor will be Lt. Gen. Robert H. Pepper, USMC, a native of Georgetown, Del.

LOCAL ARMY RESERVE OFFICER RETURNS FROM SUMMER DUTY

A hot and dusty 15 days' duty ends this Sunday for the 305th Logistical Command. Lt. Cosmo R. Riviello, a Westlake resident, returns with this local Army Reserve unit from its annual summer training at the Hunter Liggett Military reservation, south of King City, Calif.

The 305th, commanded by Colonel James S. Hughes, professor at City College of San Francisco, is the senior headquarters for 22 other units from Northern and Southern California and Utah. Lt. Riviello is the Commanding Officer of the Headquarters Company of the 305th.

One of the main features of the training period was an all-inclusive test for individual proficiency in basic military subjects. All of the enlisted personnel in the 305th took the test, being examined in such subjects as: operating an army radio; taking apart and putting together a machine gun; and emplacing an anti-tank mine.

The 305th now goes back to its year-round routine of meeting every Tuesday evening at Building 907 of the Presidio of San Francisco. Men and women in the unit receive one full day's pay for each meeting which they attend, in addition to receiving full pay and allowances for the annual fifteen day summer training period.

"RED MILL" CAST HONORED AT PARTY GIVEN BY PARENTS

Cast and production staff members of "The Red Mill" frolicked at a "between shows" party Tuesday evening at the Burlingame Recreation Center. With their parents acting as hosts, the 85 young participants in the current POP production were served a buffet supper after which they danced and had an al frescoe "rehearsal" for the final performances of the Victor Herbert operetta to be presented on Friday and Saturday nights, August 6 and 7.

Serious rehearsals for these showings have been resumed, under the direction of Howard Kay and Webster Smalley.

Commenting on the work of his cast, Kay said, "Last week's performances gave us a chance to smooth out a lot of production kinks. I expect the final showings to find everybody confident and ready with a polished performance."

Tickets for the last two presentations may be bought at the door and by mail, addressed to the Burlingame Recreation Center. Performances are at the San Mateo High School Auditorium, and curtain time is 8:15 p.m.

Cal Safety Council Warns Motorists Of Suicide Lane

Beware of Suicide Lane, warned the California Safety Council today. "This," pointed out Raymond F. Leheney, President of the Council, "is the center lane," next to the double white line." When you hug the center lane the distance of separation between you and the on-coming traffic is about 10 inches. This means that the slightest loss of control of your car will throw you into a head-on collision. Statistics show, continued Leheney, that 9 out of 10 cars will, when the brakes are applied hard, skid to the left.

Only thrill-killers get a bang out of passing another car travelling in the opposite direction at high rates of speed with only a fraction of a second between death and safety. The only time it is necessary to use the Suicide Lane is while passing or preparing to make a left turn.

Since the beginning of the summer there have been two such accidents in Los Angeles county, one resulting in a fatality and the other as yet undetermined, and leaving other occupants in the hospital. There have undoubtedly been others throughout the State of California—but there need be no more if every driver will take his rightful responsibility when behind the wheeel of his car, Leheney continued.

The California Safety Council urges every driver to sign a Safe Driving Pledge and help save a life —in order to reduce the State's traffic accident rate by 20 per cent everyone must cooperate. Every time you speed in Suicide Lane you are flirting with death—everytime you take your mind off driving you are inviting death—court courtesy rather than danger and save a life —it might be your own.

Ridgley Cummings Reports

What's needed to be a success in jalopy racing is a heavy foot on the throttle and a hard head for the collisions.

I got this information direct from one of the drivers who claimed to possess both qualifications. Most of the jalopy jockeys are grease-stained husky young men but this one was a softly-curving, square-jawed girl named Elena.

Elena participates in that specialized form of jalopy racing known as Cheesecake Derbies and I met her through the intervention of Leo Ross, a writer, a sharp man with the ladies, and my companion at the Sunday races in Culver City.

Leo introduced me and I promptly told Elena that I bet she was an athlete of some sort.

"How did you guess?" she wanted to know.

Courageous Chin

"The tan and the muscles," I said, "but mostly that courageous chin. You're a woman of action."

"She's a driver," said Leo.

It was at this point that I learned about the desirability of a heavy foot and a hard head. A third prerequisite, I would guess after watching the races, is courage. A fourth is lack of imagination.

Courage is required to face the frequent smashups and imagination could be a handicap since most drivers operate on the assumption that the accidents will always happen to someone else.

The jalopies are so-called because according to the rules of the Jalopy Association no car more recent than 1938 can be raced. Nor can extra parts of a later date than 1938 be used to repair the decrepit vehicles.

Cars Are Striped

The cars are stripped for the races, with no lights, no brakes since they race in second gear and use compression to stop, no fenders, nothing in fact except a motor, four wheels and a skeletal body reinforced by steel pipes known as row bars.

These row bars are welded in place around the driver's seat. To the bars, which protect the driver above, below and on all sides, are fastened the safety belts and the shoulder straps which will hold him in place in case the cars turn upside down, a frequent mishap.

In an ordinary crash the car caves in on the occupants but in a jalopy race the metal fabric is held clear of the driver by these steel pipes. In addition, holes are cut in the roof to make it easy to remove the driver and all windows are knocked out before a race, so there is no danger from flying glass fragments.

The Culver City races are held before a rickety grandstand that seats possibly eight or ten thousand. The Sunday afternoon I was there the paid admissions totaled a few hundred over three thousand.

Gate Receipts Watched

A lot more than three thousand watch the show but they come in on passes, which are distributed generously by auto parts dealers who sponsor some of the entrants and put up special prizes. The number of paid admissions is of great interest to the drivers since the big prizes consist of various percentages of the gate receipts.

The drivers own their cars and pay their own expenses. They race mostly for the thrill since few of them make any money out of it, for even the first prize winners spend more on their jalopies than is covered by the awards.

Leo and I didn't know about the pass situation and paid a dollar each to get in, thus fractionally enriched the pot. We took seats in the sunburnt stadium, shed our coats and armed ourselves with cokes and popcorn from the bustling vendors who never stopped shouting their wares even when the ambulances were busiest.

The Macadam Track

Before us was the oval macadam track that looked to be about a quarter of a mile in circumference. In the center of the track was a dirt and grass infield swarming with mechanics, officials, nurses, interns, tow trucks, derrick trucks and the ambulances.

Protecting the spectators from the hurtling cars were banked wooden walls painted with black and white diagonal stripes. Behind the walls were high wire fences to intercept wheels and smaller metal objects that might fly toward the spectators during a collision.

Behind a fence to the left were

ALL PROGRAMS SUBJECT TO CHANGE ● NOT RESPONSIBLE FOR LAST MINUTE SCHEDULING

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Well now that I have dug my way out from under all the wash and ironing that had accumulated while I was on vacation everything seems to be back to normal again. Vacations are nice but it is also very nice to be home. The chairs are more comfortable. Lots of things have been happening in the last few weeks so let's get on with the news.

The neighbors in the Los Banos area are going to miss some of their nicest of neighbors. MR. and MRS. HARVEY MUMFORD and children are leaving us. The one good thing about the change of address is that they are still in Daly City. Their new home will be on Gambetta street and one and all of us hope that they don't forget their old neighbors while getting acquainted with the new ones.

Heard news about our old friend and neighbor MR. GEORGE AUGUSTEIN of Irvington street this week. George has been very sick in the past few months but is now well on the road to recovery. While he is still not able to do all the things he would like to do, he is up and around and for that we are all very glad. Keep up the good work George, we are all pulling for you and hope to see more of you as time goes by.

* * *

NEWS AND VIEWS

In the process of catching up with the news while I was gone I see by THE RECORD that they intend to remove many of the stop signs from Knowles avenue. Drove up said street the other day and find out that one of them is already gone. It was also stated that the 25 mile speed limit would be inforced. Pardon me while I hold my ears. What those who want to make a super highway out of Knowles avenue are thinking of those of us who live in this neighborhood would like to know. Do they realize just what will happen in September when school starts? Do they know that from 7:30 a.m. which is also a heavy traffic time until 5 p.m., also a very heavy traffic time, there are children crossing three of those intersections for the Woodrow Wilson school and the buses which load there for the other schools? The combination of youngsters who are noted for not being too careful and motorists in a hurry to get either to or from work is a bad one. There have already been accidents especially at the Knowles and Santa Barbara intersection—Why ask for more. There are very few cars that go at a rate of 25 miles per hour and even if they did just picture what happens when a little youngster darts out in front of their car. I just hope that I am not home when it happens. Incidentally this is not only one person's opinion—just ask any and all of us who either live around here or have children going to school.

There are many ways of spending one's vacation but one of the nicest that I have heard is the MISS SHARON CASAD of Flournoy street has been spending hers. Many of the teenagers have gone to work but Sharon is working for FREE. She is donating her time in an office to the City of Hope Foundation Regional Office in San Francisco. She says that her job as a receptionist is a most interesting one and that she has really been enjoying it. An orchid to a fine young lady from the folks.

Among our really gadabout neighbors is one who is really on the go this summer. MRS. GRACE HILL has just returned from Sacramento, rested up a few days and is now about to take off for Oregon where she will spend some time with her daughter, MRS. DALE PAISLEY and her son-in-law and of course her grandchildren. Just how long Grace will be gone is undecided but it has been some time since she saw her family so we don't look for her too soon.

Had a real nice letter from Youngstown, Ohio, the other day. It was quite puzzling as I didn't remember knowing anyone there but MRS. MARGARET STEELE surprized me and says to say hello to all the folks. They have had quite a high old time for themselves, Mr. and Mrs. Steel have, going sightseeing in Chicago, seeing the Giants play ball at the Polo Grounds, and riding on the subways. One thing typical in her letter is the fact that there were about 50 children on the train going back east and she enjoyed every one of them. At the present time she is at the home of her daughter having the time of her life with her grandchildren. She expects to leave for New Mexico soon and we'll be hearing more from her as the trip progresses.

More of the folks are relaxing in Boulder Creek. MR. and MRS. DUNCAN and sister RUTH are among the neighbors who are spending their vacation in this well known town. Sure must be like the old home town there now.

* * *

SERVICEMEN

A going away party will be held tonight in honor of A 3/c EDWARD F. HARPER of the U. S. Air Forces. On Sunday he reports to Parks Air Force Base for the sad business of being processed for overseas duty in Japan. Eddie is in the Medical Corps and likes his job very much but he, like all the rest, gets quite a lump in his throat when he thinks that it will be eighteen months before he gets back and also the fact that he is leaving a wife and future son or daughter to be born while he is away. Good luck, Eddie, all the best wishes of the folks go with you.

Heard from PFC. GEORGE CONSTANTIN, one of the bakers in the U. S. Army in Korea. Seems that Korea isn't the only place he is going to see while he is overseas. He has had word that he is being sent some place else—where neither he nor I know at the present time but as soon as we do we will let you know. George doesn't have too much more overseas time to put in so wife JACKIE can start counting the days until he gets assigned states side before long even with the new assignment.

Another of the fellows has changed from pegs to the uniform of the U. S. Army. PVT. JAMES O'CONNELL, son of MR. and MRS. JAMES O'CONNELL of Irvington street is now at Fort Ord where he is in the process of basic training. He should be home on a pass soon and more will be heard from him at that time.

* * *

ITEMS OF INTEREST

Starting the month of August off with the first birthday that I heard of was MISS MARILYN BRUSH, daughter of MR. and MRS. CHARLES BRUSH of Hillcrest drive. She was hostess at an evening party attended by many of her friends and good time was had by all. Happy Birthday from all of us too, Marilyn.

One of the nicest of neighbors and most surely to be missed by all is MRS. ROSE WATSON who is leaving us to go to Paso Robles. She will make her home with her daughter and have lots of fun with her grandchild. Don't forget to write Rose and let us know how you are. All your friends will be waiting to hear from you.

Leaving all her pals for a month of fun at the Russian river soon will be MISS JOANNE CASTELLANO of Santa Cruz avenue. She will be followed in a few days by her twin sister DIANE who is also going to the Russian river with friends of hers. Have fun kids, remember it is only six weeks until school starts.

Members of HILLCREST CIRCLE No. 143 U.A.O.D. are reminded that their next meeting of August 9th will be followed by a white elephant sale. These sales are always a lot of fun so don't forget the date.

Congratulations are extended to some newlyweds this week. MRS. MINNIE BERNARDE became the bride of MR. ANTHONY STEREVETTI in ceremonies held at Holy Angels church last Saturday evening. A reception was held at which friends of both the bride and groom gathered to wish them much happiness in the future. The same from all the folks too are wished Minnie and Tony.

One of the friendliest of neighbors was missed from her usual spots last week due to the fact that she wasn't "feeling her best." MRS. DOROTHY STEWART who is known to so many is now out and about again after a week's seige with the bed and aspirin bottle. All who know Dorothy know just what it takes to put her down so we are all very glad to see her again and hope that she stays well.

Word comes that MR. ROBERT O. DUFFY formerly of our town is now up and around again after being ill for a few weeks. Bob always seemed to so well and one never thought that anything would happen to him. Take it easy, Bob. What would the courthouse be without you?

More of the neighbors in the Los Banos Area have left us. MR. and MRS. LUNN and children have deserted us for a home in San Francisco. Their house is already rented but so far haven't met our new neighbors yet.

One way to spend a vacation in an interesting way is to go in the fruit and vegetable picking business. That is what some of the teen-agers are doing this vacation. Among those picking stringbeans and pears in the Santa Clara valley are LOUIE COOPER and his pals.

Well, friends, another column is now about finished and another month started. This is the last full month before school starts and there are still many of the folks on vacation whom I will hear from. Until they write or call me so I can let you know, I'll be hearing from you and writing for you. Until then—'Bye now.

The California bee industry, which is 101 years old, will be featured in several county exhibits at the California State Fair, Sept. 2 through 12.

Ridgely Cummings

(Continued from Page 3)

the pits, where the white-trousered mechanics and the hairy-armed, polo-shirted drivers in their crash helmets milled around, tinkering with their cars or watching the race in progress, waiting for their turns to participate.

We bought our tickets just in time to see the start of a race called a "Hooligan." Some twenty cars tore around the tiny track, spitting out exhaust fumes, kicking up dust, motors roaring, jockeying for position on the straightaways, following each other with inches to spare on the turns.

Suddenly there came a smashup. Officials waved red flags, the cars still in the running slowed down, keeping their relative positions, the ambulance sirened its way to the tangled mass, the derrick truck went over more leisurely and hooked onto the most banged-up vehicles and lifed them out of the accumulated debris.

Somebody in the pile stood on top of a car and waved his hands over his head. The announcer on the loud speaker shouted gleefully, "He's all right. Nobody hurt."

A Murmur

A murmur, half of relief, half of disappointment, rose from the crowd. I decided that the sadistic instinct accounted for a large part of the sports appeal.

The surviving cars lined up in the same positions they had when the accident occured, the starter waved a green flag, the drivers gunned their motors, and the race proceeded until the next smashup.

The big thrill of the day came during the last race. We were sitting facing the near turn, where most of the collisions occurred, but this one was at the far turn.

I was watching the second car trying to cut inside the lead when the fourth car in the tightly packed whirl caught my attention. Another car had nudged it out of position and, as I watched, it started climbing the bank.

The Car Upended

Then, so clearly it was almost like a slow motion movie, the car upended, the rear axle came loose from the body, and the car turned twice very slowly around in the air. It landed on its back with a thump we could hear clear across the stadium.

Time had seemed to stand still while the car executed its aerial gyrations but with the landing crash the crowd roared inarticulately, released from its tension and building up new ones.

Leo, ordinarily blase, jumped to his feet and shouted, "Somebody got killed that time."

Elena leaned over and grabbed my shoulders, shaking me, shouting, "Did you see it? Did you see it?"

"Who's the driver?" I asked.

"Rex, An ex-pug named Rex."

"Do you think he's dead?" Leo asked. "Do you think that killed him?"

"Depends on his row bars," said Elena.

"And his safety belt," I added.

They lifted Rex out of his turtled car and put him in the ambulance dashed back to the infield. There was a huddle of people in starched white uniforms. Then the loud speaker informed us Rex wasn't seriously hurt.

Infield Commotion

Momentarily our attention was turned to the remaining cars, lining up to continue the race. Suddenly there was a commotion on the infield.

A broad-backed, stocky dark-haired man leaped from the ambulance and started sprinting across the grass toward the track. He was going full tilt and making surprising time. He was running toward the third car in the line. Behind him stretched a comet's tail of followers, officials, ambulance attendants, wreckers and policemen.

"That's Rex," cried Elena, "He always comes to fighting."

Rex ran onto the track and leaped into the third car. He dragged the driver from his seat and then the two were engulfed by police and officials. Several wild blows were thrown before the combattants were overwhelmed and separated. Rex was carried back to the ambulance and deposited forcibly inside. The ambulance tore off the track, bound, so Elena said, for a nearby hospital.

A Rumor

A rumor swept through the crowd to the effect that the injured driver had suffered a brain concussion, which accounted for his dramatic behavior. But Elena insisted that to get knocked cold and then come out fighting was merely an occupational hazard and not unexpected considering the nature of the sport.

The remainder of the afternoon was pleasant in a gory sort of way. I enjoyed the whoops of the crowd and the spectacle of steel and human flesh meeting in clashing opposition.

But the image I took home with me was that of the man who jumped up from a bed of pain to run across the infield in full view of thousands of people, with the streaming crowd of shouting officials trying to catch and stop him. There was a mixture of the heroic and the pathetic about that determined figure bent on revenge.

Jalopy racing will never take the place of grand opera, but as a method of spending an afternoon in the sun, it has its advantages. One of them is the possibility of meeting girls like Miss Ironjaw, who turned out to be a charming

---

J. Charles Yule of Calgary, Canada, internationally known livestock specialist, will judge beef cattle at the California State Fair, Sept. 2 through 12.

PLANS FOR the Village Play school's annual Carnival dance August 14, are mapped by committee members meeting at the home of Mrs. Remo Cunibert, 139 Westdale. Ladies shown here (left to right) are: Mrs. Daniel Kerr, assistant chairman; Mrs. John Azevedo, chairman; Mrs. Henry Murtaugh, vice president of the Play school; and Mrs. Cunibert, publicity chairman.

THE RECORD photo.

County Schools Will Spend Over Twenty-nine Million

Total actual expenditure of 28 San Mateo School Districts will exceed $29,000,000 for 1954-55, according to an analysis of the preliminary budgets made by the San Mateo County Taxpayers Association. "This represents a 30 per cent increase over 1953-54 expenditure," W. R. Thigpen, president of the Association, stated.

The total school tax bill on property located within the county will exceed $15,071,000, the Association reported, up 7 per cent over the previous year. The remainder of the money to be spent will come from the State and Federal government. "But it should not be forgotten that the taxpayer has only one pocket," Thigpen warned. "The State and Federal Grants come out of that pocket, too."

The Association study revealed that the total expenditures of the Elementary Districts will exceed $16,205,000, up 29 per cent over last year. Total expenditures of the five high school districts will exceed $6,899,000, up 35 per cent over last year. The preliminary budget for the Junior College District will exceed $2,224,000, up 81 per cent over the preceding year.

Percentage increases for individual districts vary widely, the association stated. San Bruno Elementary District shows a percentage increase of 78 per cent over last year. Belmont Elementary shows a 35 per cent raise, Ravenswood Elementary 47 per cent, Jefferson Elementary 39 per cent, but Menlo Park only 16 per cent. Jefferson Union High School District budget indicates an increase of 98 per cent, the principal cause of which is a $320,000 increase in the capital outlay item, which will be applied to building a new school. Without this item, the percentage of increase in the district would be 39 per cent.

Final hearings on the budgets of all school districts will be held this week and next, as required by law.

Village Play School Committee Busy With Annual Dance

Committee members of the Village Play School Fourth Annual dance are busy these days with preparations.

The dance, to be held at the Lake Shore Plaza auditorium on the night of August 14, has a carnival theme this year. There will be a kissing booth, game booths, refreshments and good music. Ticket holders will participate in a midnight drawing for a Westinghouse dryer, a jalopy, and a floor waxer.

Proceeds from the dance will be used to buy equipment, and supplement San Mateo county adult education funds in maintaining the coperative nursery school on Dunk street in Colma.

SUMMER DAYS ARE DANGER DAYS

Summer vacation days are danger days for youngsters, warns the California State Automobile Association, which suggests that parents repeatedly remind their children to cross streets only at points where the passing motorist expects foot traffic, to avoid playing around parked cars where they cannot readily be seen from the roadway, and to be extra careful about running into the street.

The Municipal Band presents a concert in Golden Gate Park in San Francisco every Sunday and holiday afternoon.

Vets Entitled To Additional Loans

Veterans who purchased GI homes more than four years ago, when the maximum loan was two or four thousand dollars, are entitled to an additional home loan for the difference up to today's $7,500 GI loan maximum.

This reminder was issued by Floyd D. Granger, Veterans Service Officer, who added that the deadline for GI loans of any kind is July 1957, for most veterans of World War II.

"Originally," Granger said, "the maximum guaranty on a GI home loan was 50 per cent of the loan, not to exceed $2,000—and later $4,000. In 1950 and 1951 acts of Congress increased this to 60 per cent with a maximum of $7,500.

"The law also extended this increased guaranty to veterans who had obtained GI home loans prior to April 20, 1950—less, of course, the amount they had already used.

"For example," Granger continued, "a veteran who used his entire $4,000 guaranty for a home loan is now entitled to a home loan guaranty of 60 per cent up to $3,500."

He emphasized, however, that this privilege pertains only to those World War II veterans who have not used or re-used their GI loan rights since April 20, 1950. If they still own GI property purchased before that date, they must justify their need for a new home.

Veterans of Korea service, of course, are affected only by the higher maximums, and for them the GI loan deadline is still a long way off.

For assistance and information, veterans and their dependents are invited to stop in at the Veterans Service Office, in the Courthouse, Redwood City, California.

OBITUARIES

Florence Pastorino

Funeral services were conducted Saturday from the mortuary of W. C. Lasswell & Co. for Florence Barbara Pastorino, who died July 29 at Redwood City.

A native of San Francisco, the deceased spent most of her life in Daly City and the family are all pioneer residents here.

She lived at 99 Theta avenue.

She is survived by her husband, Peter, and two children, Donna Marie and Lawrence J. Pastorino. She was the daughter of the late Fred and Josephine Lucia, sister of Mrs. Lena Sylvestri, Mrs. Rose Lufrano, Mrs. Alice Krohn, and Anthony, Peter and Samuel Lucia.

Rosary was recited Friday night at 8 p.m. at the mortuary.

Following Requiem Mass at Our Lady of Perpetual Help Saturday, interment was at Holy Cross cemetery.

Lawrence Shaw

Lawrence King Shaw Sr., proprietor of Mercury plumbing in Daly City, passed away at St. Luke's hospital in San Francisco Friday at the age of 36.

A native of Nevada, he resided here at 3268 San Jose avenue.

He leaves his widow, Geraldine Shaw, and four children, Ralph, Ethel, Patricia and Lawrence K. Shaw Jr.

He was the son of Mrs. Nellie Ring and grandson of Mrs. Nettie Hogg.

The deceased was a member of the Master Plumbers association.

Last rites were conducted Monday from W. C. Lasswell & Co. Interment was at Cypress Lawn Memorial park.

Catharine B. Onn

Catharine B. Onn, formerly a nurse at Junipero Serra hospital, died July 30 at Veterans Administration hospital in Oakland after a long illness.

She is survived by her husband, Arthur A. Onn, and a son, Edward A. Onn. She was the daughter of Edward Boten and the late Catherine Boten, sister of Mrs. Irene Robley, Florence and Helen Boten of Iowa, Mrs. Frances Steegman of Kansas City, Kas., and Floyd Boten of Indiana.

A registered nurse, the deceased served in the U. S. Army during World War II.

She lived here at 3129 Alemany boulevard.

Funeral services were held Tuesday from W. C. Lasswell & Co. Inurnment was at Cypress Lawn Memorial park.

Dwarf Bedding Dahlias "Nicest" Thing For Garden

One of the nicest things that can happen to a garden is to have a planting of dwarf bedding dahlias. These are seed grown plants that give color almost overnight and that bloom for months on end with a bare minimum of care. No staking and no fertilizing are generally needed. Care should be taken to avoid wetting the leaves at night to prevent mildew. Also regular spray schedules should be maintained to control the standard garden pests. A watchful eye for gophers and moles is also wise as the dahlia tubers do have a special temptation for these pests.

Dwarf bedding dahlias can be planted now and still give a show of color this season that will last until frost in most sections of California. They should be planted in loose rich soil in a full sun spot. Good drainage is essential. In bloom they will outperform most of the late summer annuals with the added bonus of a good crop of tubers to plant in next years garden. The flowers are carried on clean straight stems that are excellent for cuting and the colors vary over a wide range of beautifully blended shades.

According to the California Bedding Plant Advisory Board many plants are available that work well with dwarf bedding dahlias and should be planted along with them. Petunias, dwarf marigolds, and phlox will grow a little lower than the dahlias. Borders can be planted with ageratum, dwarf border begonias, lobelia or alyssum, while background items could be dephinium, tall salvia, tall marigolds or giant zinnias. A particularly nice combination is a dark blue delphinium such as Blue Jay or King Arthur with a band of the dahlias planted in front and then a stepdown planting of dwarf yellow marigolds, bordered with dwarf white begonia or white alyssum.

CHAMBER AWAITS YOUNGER LETTER ON PORT OF HMB

The Daly City Chamber of Commerce is awaiting a reply from Congressman J. Arthur Younger on the possibility of establishing an auxiliary harbor at Half Moon Bay.

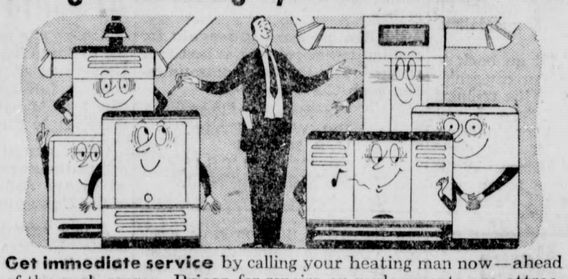
During Jack Z. Anderson's term of office in the 1930s, legislation was passed by both houses of Congress for this auxiliary harbor.

It was vetoed, however, by President Roosevelt, "for economic reasons."

The auxiliary harbor was to serve the area in case disaster struck San Francisco closing the port for all shipping and cutting off the supply lines for all of the South Pacific and other sections served by the Port of San Francisco.

Now's the time to let a competent heating man examine your heating system. He'll make sure that the vent pipe is in good condition and operating properly—to carry away gases and fumes!

You'll be glad next winter you had your gas heating system checked now!



Get immediate service by calling your heating man now—ahead of the rush season. Prices for repairs or replacements are attractive when work is unhurried. And, easy terms are available now!

Whenever you install a gas heater in any part of your home, let experienced heating men do the work . . . and have it inspected by local authorities to make sure it complies with safety regulations.

Call your heating contractor today!

Summer is the best time to have obsolete or inadequate heating equipment replaced. Gas is cheap—why not enjoy it at its best with good equipment . . . in good condition.

COLLEGE CITY CUB PACK PLANS ANNUAL PICNIC, WATERMELON FEED SATURDAY

Cub Scouts of College City Cub Pack 340, their families and friends, will hold their annual picnic and watermelon feed at Section 10, Searsville Lake park, Woodside, California, from 11 a.m. to 3 p.m. on Saturday, August 7, 1954, according to Cubmaster D. C. Bryant.

In addition to the picnic and watermelon feed, the Cub Scouts will enjoy swimming and a softball game between the Cubs and the fathers, playing left handed.

Other outings in the summer cubbing program of College City Cub Pack 340, which meets at Commodore Sloat school, include:

Tuesday, August 10, Tour of Circus Food Inc. The group will see the processing, packaging and sampling of Circus peanuts and other products.

Tuesday, August 17, Tour of PG&E, Steam Electric Generating Plant. The Cub Scouts and their parents will learn how electricity used in their homes is generated.

Tuesday, August 24, Tour of Continental Baking Company. On this final family excursion of their summer cubbing program, the group will see and sample the complete production of Wonder bread, Hostess cakes and Hostess cookies.

In addition to Outdoor Pack Meetings and Tuesday Tours, the Cub Scouts of Pack 340 are participating in a learn to swim program at the new Boys' club pool, Page and Stanyon streets, San Francisco.

Cub Pack 340 is sponsored by the Lake Merced club, a civic group, whose members are educational, business, professional and social leaders in the Bay Area, who sponsor projects for the benefit of youth. Frank D. Moller Jr., is the president.

Village Notes

By Martha Pinney

MIDWAY AVENUE

Ilene Locke, Gi Gi Blount, Kay Mattson and Pat Mattson were luncheon guests of Alice Travinsky at her home on Friday.

Mrs. Marie McFarland and Miss Edith Porther of Los Angeles were recent house guests of the Carlos Mattsons.

Mrs. Eileen Crafton and sons Jack, Dick, Tommy and Philip have returned from a Russian river vacation.

Mr. Walter Whistler and Mr. and Mrs. Max Gillot and daughter Judy of Omaha, Nebraska, were house guests of the John Travenskys.

We are all glad to hear that little Karen Mattson is fully recovered from mumps.

* * *

NIMITZ DRIVE

Mr. and Mrs. Harvey Zaitz returned from vacationing two weeks at Yosemite and Tuolumme.

* * *

BRADLEY DRIVE

It's a baby boy for Mr. and Mrs. Elmond Miles—Robert Martin born July 30, making this number three.

* * *

SWEETWOOD DRIVE

Mr. and Mrs. Edward Raymond and children Edward and Michele have recently returned from a two week's vacation at Lake Tahoe.

* * *

LARCHMONT DRIVE

It was lucky seven for little Linda Hannan celebrating on Saturday with a luncheon and theater. To help her celebrate were Susan Ecker, Mareen McNalley, Lotus Schaffer.

* * *

87TH STREET

It was an all white wedding for Mr. and Mrs. David King (formerly Florence La Badie) attended by her sister Mrs. Norman Kaufmann as Maid of Honor and her daughter Judy Ann Kaufmann as flower girl.

Mr. and Mrs. Louis Haberman and children David, Emily, and Andy recently returned from one week vacation at Camp Mather.

Mr. and Mrs. Karl Hess and girls Judy, Nancy and Linda along with Mr. and Mrs. John Hess and boys John, Jimmy and Jerry enjoyed two weeks together vacationing at the Russian river.

Mr. and Mrs. Norman Kaufmann and children Judy Ann and Ronnie enjoyed a camping trip at Yosemite for 10 days with Mrs. Kaufmann's mother and father.

Good news at the Edward Kubiwitz's, their daughter Gail is well on the road to recovery from an emergency appendectomy.

There was a doll parade at 816-87th street for little Judy Ann Kaufmann on her fifth birthday, some of the live little dolls included were Nancy Hess, Karen Flansberg, Tina and Sharon Smith, Ronnie Kaufmann and Michael Thompson.

At a recent luncheon Mrs. John Fies, a former 87th street resident, entertained the following: Mesdames James Fairbanks, Henry Sundermann, Marvin Howard, Rex Spruill and Miss Ann Smith.

* * *

GARDEN LANE

These little ladies helped Norma Ann Vladyka celebrate her 10th birthday July 25: Carole Moser, Judith Smith, Judith Beckerman, Suszanne Jamieson, Barbara Bishoff, Barbara Fahey, Stephonie Rice, Diane and Ardis Branstetter, Nancy Driscol, Robin Frisch, Mary Ann and Margaret Shields. Ice cream and cake, games and favors were enjoyed by all.

Mrs. M. Pauline Brown is home after six months in Tecata, Mexico, where she has been vacationing. She arrived by air Friday looking very chipper and well tanned. Mrs. Brown and Miss Elsie McClaren were dinner guests at the Fairbanks that evening after which all enjoyed thoroughly hearing all about Mrs. Brown's stay in Mexico.

Miss Barbara Jean Gregory from Natchitoches, La., is spending the summer here with her sister Mrs. Martin J. Berlin. Miss Gregory is a student at Northwestern State College in Natchitoches, La.

Lt. and Mrs. J. C. Wilkins and their three children, Priscilla, Lauren and Jim Jr. were guests at the home of the Berlins last weekend.

Tommy Tanner had to return home from his vacation in Mariposa much sooner than planned for, due to an accident. He dove into a river pond hitting his head on a sharp rock. A trip to the hospital and several stitches were necessary.

MISS DALY CITY, Mary Jo Phillipson, has just been chosen one of the maids of the Dream Girl's court at the Fiesta Dream Girl contest Thursday evening in the Home and Industry building, county fairgrounds. She and the other maids will assist the Dream Girl in officially hostessing Mateo county's 20th annual Fair and Floral Fiesta, August 6 through 14.

Set Preliminary Plans For OLPH Picnic In September

Preliminary plans for the Our Lady of Perpetual Help Men's Club picnic September 19 were announced this week by Walt Murphy, chairman.

The outing will be held at Roger Reynold's Nursery park in Menlo Park, beginning at 10:30 a.m., and will last all day.

Games will be held and prizes offered during the day's festivities.

Angelo Ferrigno's Union orchestra will provide music for dancing, which will be held from 2 to 6 p.m.

Honorary chairman of the event is Father Norman Allen, while assisting Murphy as co-chairmen are John Muller and Pete Lufrano.

SF Rainbow Girls Plan Spaghetti Feed

Members of the San Francisco Assembly No. 1, Order of the Rainbow for Girls, will hold a spaghetti dinner followed by dancing and a whist party, at Park-Masonic Temple, 1748 Haight street, on Saturday, August 14.

Dinner is to be served at 6:30 p.m.; dancing, and cards (prizes) from 8 o'clock until midnight. Tickets are 75 cent each and may be obtained at the door, or by contacting Charlotte Hamrol, Worthy Advisor, 2532 Cabrillo avenue, BA. 1-8244.

He that believeth on him is not condemned: but he that believeth not is condemned already. (John 3:18.) Read John 3:14-18.

Christ speaks to our time. This is a century of light, say some. But we would not be far wrong if we said that it is a century of darkness. Some are filled with fear. Others are possessed with ambition to obtain honors and glories of this earth. Nevertheless, this century, whatever its merits and defects, is one in which Christ speaks, saying, "I am the way, the truth, and the life."

God speaks to all, saying that He so loved the world that He gave His Son. At the same time He is warning us that he who believes on Him is not condemned, but that he who believes not is condemned already.

The responsibility lies with us to secure our own salvation. We need to consider the Master's words as a challenge directed to us personally.

Oh, that we who are living in the very midst of the twentieth century take to heart the meaning of the Saviour's words! We are already condemned if we do not believe in Him.

PRAYER

O God, help us to believe in Thy Son as our Saviour. Increase our faith. Free us from the unimportant things of this world. Strengthen in us the desire to do good and to believe in Thy promises. In our Redeemer's name. Amen.

THOUGHT FOR THE DAY

Without faith it is impossible to please God.

Paulo Milazzo (Brazil)

Sno-Man Ice Cream Ends Fourth Year

Sno-man Ice Cream is celebrating its fourth anniversary this week, according to owner Mrs. M. Booth. Free candies for the ladies and suckers and balloons for the children are a feature of the week's celebration. The Sno-man is located at 7199 Mission street.

The Save the Redwoods League was formed in 1918 for the purpose of protecting and preserving the Coast Redwood forests.

Younger And Wife Guests Of Honor At Montara Lunch

Congressman and Mrs. J. Arthur Younger are to be guests of honor at a luncheon on August 17 at Frank Torres Beach hotel at Montara. The affair is being given by the San Mateo County Council of Republican Women of which Mrs. Merritt R. Hosmer of San Carlos, is president. The luncheon begins at 12 o'clock, noon.

Younger, who will give a first-hand account of recent events in the congress of the United States, will be introduced by Mrs. Russell Rahe, San Carlos, vice president.

Those desiring transportation and luncheon tickets are to contact Mrs. Clayton Westbay, Hillsborough; Mrs. John W. Hamm, Menlo Park; Mrs. Donald R. De Marce, Palo Alto; Mrs. Louise Williamson, Pescadero; Mrs. Edith Letts, Redwood City; Mrs. William Schade, San Bruno; Mrs. Russell Rahe, San Carlos; Mrs. Raymond Holt, San Mateo; Mrs. Margaret Douglas, Sharp Park; Mrs. L. D. McLeod, South San Francisco and Mrs. Kenneth Graham, Woodside; Mrs. C. E. Bried, Colma; Mrs. John Drye, Daly City; Mrs. Bernice M. Hendryz, Bayshore; Mrs. John Branin, Sr., Brisbane.

Announcement has been made that among those attending the August 7-8 state central committee meeting in Sacramento will be Mrs. Hosmer, Mrs. Annette S. Alexander and Mrs. Westbay.

Local members will also participate in the August 27 meeting of the Northern Division to be held in Hotel Leamington, Oakland, and also in the August 22-23 meeting of the state federation of Republican Women in Los Angeles.

Lions Elect International President

Monroe L. Nute

Monroe L. Nute of Kennett Square, Pennsylvania was elected International President of Lions International at the Association's 37th Annual Convention in New York City. Lions International with more than half a million members in 11,000 clubs in 58 countries and geographical locations is the world's largest service club organization.

Westlake Baby Sitters To Meet In September

No meetings of the Westlake Baby Sitting club will be held until September, it was announced this week.

Secretary for this month is Rita Nash, 123 Lake Vista avenue, PL. 5-5684.

Persons interested in joining the cooperative organization may contact Mrs. Nash.

Last regular meeting of the group was held July 13, at the home of Mary Cullen, 79 Cliffside drive.

CONCERT GROUP PROMISES BEST IN MUSIC FARE

Would you like to enjoy the best in music?

By joining the Vista Grande Community Concert association you can assure yourself a season of concerts by world famous artists, the association said this week.

The local association, which is affiliated with Community Concerts, Inc., of New York will sponsor a year-long series of concerts for members only. By enlisting the aid of local citizens who are interested in bring such a series to residents of Northern San Mateo county, the parent organization is able to arrange for top artists to concertize here before audiences composed of members only who otherwise would be unable to present concerts here because of the great financial risk involved in promoting individual concerts.

The local association, composed of public-spirited citizens of this area are now completing final plans for a membership drive to be conducted here during the week of September 13. Membership dues will be $6 a year for adults, $3 for students. Following the close of this one-week campaign, the rolls will be closed and no more memberships accepted.

The board of directors of the local association will meet with representatives of the parent organization and schedule the concerts to be presented here on the bassi of the dues collected during the campaign.

Membership cards will entitle persons to admission to any concert sponsored by the Vista Grande Community Concert association and no individual tickets to any concert will be sold.

Your membership card will also permit you to attend concerts sponsored by any of the associations affiliated with Community Concerts, Inc., across the continent. For over thirty years, they have been organizing local associations in over 1000 communities. Berkeley, Seaside, Monterey, Burlingame, San Mateo and Redwood City are only a few of the many California Cities that have local associations.

Cub Pack 248 Plans Activities, Recruits

Boys from eight to 11 years of age are invited to join Cub Pack 248, according to Mrs. L. T. Carroll. The first meeting will be held on the third Friday in September and will begin an active program for the coming year. Persons interested may call PLaza 5-8733.

Westlake Is Site For Champagne Wedding Reception

A champagne wedding reception was given Sunday in honor of Mr. and Mrs. Robert Winenow, at the home of the bride's parents, Mr. and Mrs. M. C. Frederickson, 278 Wilshire avenue.

The young couple were married in Las Vegas recently in a double ring civil ceremony.

More than 100 guests were on hand Sunday to extend the couple best wishes. Turkey topped the buffet offering.

The reception was given by the bride's parents.

The Winenows will make their home at 2190 Beach street in the Marina.

Winenow is a machinist for a canning firm, while the bride formerly was employed at a San Francisco dress shop.

She is a graduate of Jefferson Union High school, Class of '53.

Village Play School Fetes Director At Tea

Mrs. Alfred Palavin, new director of the Village Play school, was feted at a "get acquainted" tea given by mother-members of the cooperative nursery at the Broadmoor Community center on Saturday, July 31.

The new director, whose qualifications include a degree in child development and family relations from Cornell university, graduate work at the Merrill Palmer institute, and experience with several local cooperatives, is currently directing the summer program at Presidio Hill Nursery school. She will begin her directorship of the Village Play school in the fall.

ADULT SWIM CLASS "SMASHING SUCCESS"

Mike Orlich, director for the swim campaign sponsored jointly by the Jefferson Union High school district and the San Mateo County Chapter of the Red Cross, today said that his adult class which meets each Wednesday evening, is proving a smashing success.

Orlich, who has heretofore held the adult session in the early morning, and had only a few enrolled, decided to try night classes this summer. He has found enthusiastic response. Forty eight have finished the first session and 46 are enrolled in the present class. Orlich stated that tentative plans are being made to conduct an adult class this fall and will announce dates and times at a later date.

In North America, north of Mexico, 41 distinct species of termite are known to exist.

WESTMOOR HIGH TO BE STARTED IN SPRING, 1955

Start of construction on Westmoor High school has definitely been set for spring, 1955, the Jefferson High school district board of trustees declared Monday night.

The new school, to be located on Skyline boulevard, is still in the planning stage, with preliminary specifications now before the state board of architecture.

Because work won't start until next year, the board voted to extend the lease of Angelo Olcese, who is using a portion of the proposed high school sit for hog raising. The extension will run to November 6.

Although site development on the school project could be started earlier than next spring, Architect Mario J. Ciampi has recommended to the board that one contract be let for the entire job.

Contract for re-surfacing pavement at Jefferson High school was awarded by the board Monday night to Lowrie Paving Co., for a price of $10,750. Only other bid submitted was that of Fontana & Sons, $11,107.92.

Howard Chafin of Daly City was hired as a janitor for the school district.

Sixty-six organizations will be honored with special days at the California State Fair this year. All of the major farm organizations, most of the counties, military services, the press, radio and television industry, wine industry, old firms and the like all will be honored.

Laryon Dayton, 21, of Oakland, will be the Alameda County representative in the California State Fair "Maid of California" contest, to be held at the fairgrounds Aug. 29. The winner will receive a $1,000 bond and will preside over opening day ceremonies Sept. 2.

Engineer Smith Advises City To Take Low Bids

City Engineer Edwin Smith told the city council study session Monday night that he would advise taking the low bid for building Westlake reservoir No. 2.

The low bid for total amount of construction was cast by Ke-Ston & Muny for a figure of $64,527. Smith said that he would delay formal advisement until he makes a check on whether the joint company as such holds a contractor's license.

Bids on both total and deductive amounts were submitted to the council July 26. Because four of the total bids fall below the $68,000 estimated cost, the council will not consider the deductive bids.

C. Norman Peterson Inc. submitted the next lowest bid of $64,527. Their deductive bid of $58,780 fell below that of Ky-Ston & Muny who offered a bid of $59,154.50.

Awarding of the reservoir bid and the booster pump bid will come before the council at their next regular meeting on Monday. Smith said that he would recommend taking the low bid submitted by Frank Cisternino pump service. The extremely low bid of $5642 fell about $700 below the next lowest bid of Johnston Pump company.

The Cisternino pump is used by the San Jose Water works and is held in high esteem "even by competitors," according to Smith.

Three additional entries have been received for the State Fair "Maid of California" contest. They are Pat Dunn of Dixon, Solano County; Bonnie Jean Blanchard of Hanford, Kings county; and Stella May Cox of Woodlake, Tulare county. Judging will be held on the fairgrounds Aug. 29, and the winner will reign over the fair, Sept. 2 through 12.

California firms which have been in business continuously for 100 years will be honored at the luncheon of the State Fair 100 Year Club, at the fairgrounds in Sacramento on opening day, Sept. 2.

SUNDAY SPEAKER AT SAVIOR CHURCH

The Rev. George Attwood will be guest minister at the 10:45 a.m. services Sunday at Lutheran Church of Our Savior.

Sunday school classes take place at 9:30 a.m.

A new permanent minister will be installed at the church September 12, it was learned this week.

The Savior church is located at Junipero Serra and Garfield.

Prominent Attorney Speaks At Temple

Gerald Marcus, prominent local attorney and lecturer for various Jewish organizations throughout the Bay Area, will be guest speaker for the Westlake Temple Group Friday evening at 8:30 o'clock.

Members and friends are cordially invited to attend. Social and reception will follow.

Westmoor Transit Line May Postpone Application Hearing

Burt Perkins, owner of the proposed Westmoor Transit line, told **The Record** this week that he will postpone his August 16 hearing before the State public utilities commission if the San Francisco board of supervisors agrees to operate Muni buses here on a six month's trial basis. The SF board is scheduled to hold a public hearing August 9 on Daly City proposal to continue operation of the No. 76 (Westlake-Broadmoor) and the No. 56 (Cemeteries) buses.

Perkins' application for a permit to operate a bus line comes up for hearing exactly a week later, but he will postpone it if the muni buses are ordered to continue operation here, he said.

"I don't think I'd have a chance operating in competition with the Muni Railway, Perkins explained.

RECREATION NEWS

The arts and crafts classes are progressing right along with the children developing some long term projects. Our latest bit of creative development is a paper mache zoo.

At Crocker, Rose Santiago is making a bull, Marilyn Frippo, a dog, David Ramey, an Ostrich. At Jefferson Robin Frisch and Don Woofinger have completed dogs; Jon Alexander, a pink elephant, while at the Community Center, Richard Montoya is working on a dog and Charlene Del Sarto is completing a turtle.

The children are also doing some very interesting pieces in wood burning. Diane Bertelli has come up with a very clever tray and Cheryl Keruzer has burned some fine pictures.

In Westlake, Bill Williams and Edward Kopolwitz have also worked on pictures.

Another interesting bit of work has been done by Wallace Sobel who created a clown puppet made from sawdust and wall paper paste. The youngsters have found great delight in making silhouettes. Barbara Bertolina, Carol Brown, Carol Albert, Penny Jenna, Joseph De Julius and Stan White have done a very careful job of painting and cutting out their likenesses.

The little children have also found a favorite pastime which at the present is making paper mache banks. They have been working on this project for several meetings. Carol Albert, Darlyne Hess, Barbara Capponi, Stanley White, Joseph De Julius, and Nadine Carter are presently engaged in putting the finishing touches on their banks.

MARCHBANKS PARK

Early Friday morning the Marchbank participants went to the Jefferson Field eager to win the Olympics for their park. Each felt confident that he would have a chance to show his skill in a chosen event. Entering the 75 yard dash was Jim Willet whose winning earned 5 points for Marchbank's total. While Jim Honeywell was hurling himself over the high jump, Kathy Rasmussen threw the winning softball thus gaining two more wins for their park. Scoring in two events was Paul Tapia, softball distance throw and the 50 yard dash. Also accumulating points was Bob Grubb. He did this by entering many different events. The Jones children, who have just recently moved, really got into the spirit of things and walked away with a handful of ribbons. Showing a fine example of sportsmanship was Jack Bautista. Having entered the 50 yard dash and leading the rest of the contestants, he stumbled, fell down hard; yet came back in the 200 yard relay to capture first place with his teammates. Corky Balsano, Judy Archer, Thala Patron also were among the skilled entrees who won several ribbons for themselves.

Those who won were proud and those who lost were only more determined to come back next year with improved skill through practice.

FRANKFORT PLAYGROUND

The Recreation Department could not have chosen a more perfect day for the San Francisco Bay Excursion. The scenery was especially picturesque with the sun shining. James Nail, Nancy Kelly, Mary MacDonald, Arlene MacDonald, Carol Smyzer, Diane Smyzer, and Paulette Frazier accompanied the director from Frankfort. After the boat trip the group walked to Aquatic Park and visited the Maritime Museum.

Archery can now be enjoyed at Frankfort. Tuesday and Thursday from 9:30 to 12:00, the archery equipment will be available to all who are interested.

COMMUNITY CENTER

Teen-age volleyball is gradually becoming the most popular afternoon activity at the community center. Between 25 and 30 high school youngsters (girls as well as boys) have been playing daily. Volleyball is scheduled every afternoon at 3:30. Games continue until 5.

Community center youngsters are anxiously awaiting Vehicle Day at Marchbank. Any youngster who has a wagon, coaster, bicycle or anything on wheels is invited to attend. There will be prizes for the best decorated vehicles and awards presented to the youngsters with the most bicyle riding ability. Festivities get underway at 11 on Thursday, August 12.

On Wednesday, August 11, the recreation department is sponsoring an outing to Morrison Planetarium under the direction of Leslie Linhares. The outing which was planned months ago takes on added significance in view of the fact that the planetarium now offers a "trip to the moon" as their feature attraction.

The David Steward Parade, which takes place on Saturday, August 7, has all the youngsters anxious to participate. It seems all those children who are actually in the parade will receive free refreshments.

ARCHERY

The ladder archery tournament which was started last week is now well under way. The tournament will last approximately a week and a half longer. The top three of the various parks are as follows:

Jefferson Elementary—

1. Wayne Gordon, 2. Dick Tomlinson, 3. Mike Blume.

Jefferson High—1. Butch Miller, 2. David Duggan, 3. Jerry Benedetti.

This is the same top three as last week as the Junior Olympics cancelled the tournament for Friday.

Westlake Elementary—1. Jimmy Fredrickson, 2. Dick Reese, 3. Renny Bozzini.

Marchbank—1. Michael Cox, 2. Steve Anderson, 3. Tony Furger.

Frankfort—1. John Roa; 2. Billy Whalen, 3. Manuel Villa.

Welcome goes to some new comers in the various parks. Among these are: Richard and Leonard Marston, Corry Patton, Danny Craig, Buddy Pereira, Lorenz and Stan Feder. All are going to be climbing fast on the ladder tournament.

If one was to single out one person who has shown the most improvement within the last week, it would be Steve Calendar. Steve hit over 35 points in one round this past week whereas a week before he was not hitting as frequently. Keep this up, Steve, and the top three will soon have a new contender at Westlake.

BRISBANE NINE DOUBLES OVER LINCOLN PARK

Last week's "B" contest was a repetition of Adult Basketball league game with the Brisbane club again defeating Lincoln Park, 25 to 22.

The game was much closer, with the deciding bucket occurring in the last few minutes of the fourth quarter. High man for Brisbane was Gary Ryan with 14 points. For Lincoln Park Ron Bloom once more led his club with 14 on long shots from the corner.

The feature game of the night saw previously undefeated Lincoln Park varsity go down to defeat before a hard driving Brisbane club, 53 to 40. The sparkling board control and marksmanlike shooting of Don Delbon and Ray Vuillmainroy spelled the difference. Unlike the July 27 contest, which started off slowly, both sides hit repeatedly and the half time score was 29 to 22 in favor of Brisbane. Darrell Hutchinson, time and again scoring on long push shots and driving lay ups, led the losers with 19 points, followed by Tom Costello with 12, who was definitely off in his shooting. Don Delbon led the winners with 21 points and close on his heels with 18 digits was Vuillmainroy.

Lincoln Park now has a record of five wins and one loss and with only one remaining game to be played has now cinched the summer league title.

Ford Says Reservoir Needs New Roof

A new roof is needed for the No. 3 reservoir at the head of Thiers street, according to Superintendent of the Water department Gus Ford. He estimates that the cost of new roof will be $7500.

The city council Monday night asked for a report on the roof. It was recommended that a concave roof be used in order to insure longer service.

WESTLAKE TAKES EIGHTH WIN IN COUNTY PLAY

The Westlake Rockets pounded out a 4 to 0 victory over the South San Francisco Juniors for their eighth consecutive win in the San Mateo County league last week.

Eddie Leveroni, Rocket pitching star, scattered seven hits to earn his seventh straight win in as many starts. The shutout triumph was Eddie's second over this same club. He had previously blanked the "Industrial City" kids, 8 to 0, during the league's first round.

The Rockets scored their initial run in the first inning when Mike Wedlake crossed the plate as two South San Francisco infielders allowed Paul Tapia's pop up to fall between them for a hit. Bill Strassberger's long single to left center accounted for a pair of runs in the second. Strassberger's blast came on the heels of temporary wildness by South San Francisco pitching in which Anthony Stagnaro and Al Leveroni had walked.

The final Rocket tally came early in the fourth. Leroy Franzoia walked to open the inning; stole second and scampered home on Ino Patron's tremendous double to left.

John Mallory ,South San Francisco pitcher, tighted up after the fourth and hurled shut out ball in the final three innings. With eight wins and no losses the Westlake club is still in undisputed first place. Only two games remain to be played in the league's Northern Division which puts the Westlakers in the favorite role for championship honors.

The Rockets host the well rounded Millbrae Optimist this Saturday at 10:30 on the Marchbank diamond. Although the local club holds a 7 to 4 victory over the visitors, the much improved Millbrae team will be shooting for an upset.

KEEP TROUT CATCH CLEAN, COOL, DRY

While most anglers won't be able to bring 'em back alive, they can preserve their trout for the sometimes long trip home by following a few simple rules suggested by the Department of Fish and Game.

To get them home safely, keep them clean, cool and dry. In the field they should be kept in a trout basket—not in a sack. Clean them as soon as possible, then dry them thoroughly and don't use any more water on them. Hang your trout outside at night, with proper air circulation and protected from marauders.

To preserve trout for several days, hang them out overnight to cool and dry, then pack them well in willow cuttings or grass in alternate layers. Roll them up each day in a bed roll or some other insulating material, and hang them out again each night to air and cool.

Live fish may be kept in the water, but they should be checked often and dead ones cleaned immediately. Of course, the sooner trout are cooked and served after they leave the water, the better their flavor.

Wanted: 10,000 Kids To Attend Heath Day At Seals Park

Wanted by Tom Heath, manager of the San Francisco Seals: 10,000 boys and girls to attend Heath Day for Kids on Saturday, August 14. All boys and girls up to 16 years of age will be admitted free to the grandstand.

A great day is being planned for all the kids, with entertainment and valuable gate prizes.

Upon entering the Seals' Stadium each kid will be given a ticket to participate in the prizes.

Some of the prizes are 5000 pictures of the 1954 Seals to be given away by Borden's; 2000 bags of peanuts by Bill Kyne and Golden Gate Tea Garden; a full week's vacation at Forrest Lake, by Andy Lerios Travel Agency; three cameras by Bear Photos, and many other prizes.

Entertainment: Trampeline Act by the Boys Clubs of San Francisco, and the Jobs Daughters Drill Team, 1952 State champs.

The show starts at 1:50 p.m. The gates open at 1:00 p.m.

This is one event kids can't afford to miss—Heath Day for Kids, Saturday, August 14. Many prizes, real entertainment.

The Ice Follietes of the famous Shipstand and Johnson Ice Follies will pass out the pictures to all the boys and girls.

DALY CITY FIREMEN TIE FOR THIRD IN ADULT PLAY

The Daly City fire department moved into a tie for third place in the Adult Softball league Tuesday when they downed Gigli Plumbing, 15 to 4.

The firemen got off to a good start, scoring four runs in the first inning on four hits.

Daly City virtually clinched the game in the second when they exploded for seven more runs on six walks and four hits.

Gigli got into the scoring column in the third canto with a single tally. They picked up three more in the fifth, but fell way short of the smoke eaters as Daly City scored one more in the fourth and three in the sixth.

Auto Racing's Big Event Scheduled At Bay Meadows

Auto racing's greatest event in Pacific Coast history, the 250-mile NASCAR Grand National stock car race, has been scheduled for Sunday afternoon, August 22, at the Bay Meadows racetrack in San Mateo, promoter Bill Kyne and Bob Barkhimer, NASCAR regional director, said yesterday.

Said Kyne and Barkhimer:

"The guaranteed purse to the drivers is $10,000, and it is the greatest purse ever guaranteed in any Pacific Coast race. As a result, we expect the race to draw the top stock car pilots from all over the nation.

"Top money is $2250, and that's sure to attract a big field. We expect at least 60 cars to enter the race, and we will know in a few days just how many cars we will start," the pair said.

The race will be under the jurisdiction of the National Association for Stock Car Auto Racing, the governing body for the top races in the nation.

Larry Kennedy Sr. was the winning pitcher, while Al Figone collected three hits in three attempts to lead the swat department.

Other games saw Colma Fire Department topple Tromborg Piumbing, 9 to 4. Tom Tromborg homered for the losers.

The Adult league players will lay off next week, resuming action on August 17.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective date of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.29. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then owing and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semiannually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of said bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case .5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1954," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." Opposite the words "For the Veterans Bond Act of 1954" and "Against the Veterans Bond Act of 1954," there shall be left space in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

HIGHWAY HOUSEKEEPING

Every year California's State Highway Department spends substantial sums in removing the beverage containers, tissues, wrappers, paper and other litter which careless motorists toss out on the roads. All this could be avoided, and the money which is spent for such housekeeping devoted to other purposes, says the California State Automobile Association, if the motorist would merely carry a paper bag in his car and use it for trash, later depositing bag and contents in a suitable container for disposal.

BIG PLANTS SAFER

Small manufacturing plants may be friendly places to work but the big ones are safer, according to the National Safety Council.

"Accident Facts," the Council's statistical yearbook, just off the press, shows that the average injury rates for smaller plants is substantially higher than that for the larger plants. Plants employing fewer than 500 workers average two to three times as many accidents as those with 1,000 or more employees.

RESOLUTION NO. 2024

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DALY CITY GIVING NOTICE OF PROPOSED ANNEXATION OF UNINHABITED TERRITORY TO BE ANNEXED TO SAID CITY OF DALY CITY, AND SETTING A DAY, HOUR AND PLACE FOR THE HEARING OF OBJECTIONS TO THE PROPOSED ANNEXATION.

WHEREAS, the City Council of the City of Daly City has determined that it would be beneficial to the City of Daly City by increasing population and assessed valuation to annex the following described property to said city, and

WHEREAS, all of the owners have so consented,

NOW, THEREFORE, pursuant to the provisions of that certain act entitled "Annexation of Uninhabited Territory Act of 1939," BE IT RESOLVED that a day, hour and place be fixed when and where any person owning real property within the territory proposed to be annexed and having any objections to the proposed annexation may appear before the City Council and show cause why such territory should not be annexed.

The uninhabited property requested to be annexed is designated as Portions of Block 63 and 64, Abbey Homestead Association Tract, which is the appropriate identification thereof as required by the Statute.

The real property proposed to be annexed is all that certain real property situated in the County of San Mateo, State of California, and contiguous to the City of Daly City, more particularly described as follows:

Beginning at a point on the present corporate limits line of the City of Daly City said point lying on the South Westerly line of Atlanta Street, at its intersection with the North Westerly line of Lot 7, Block 63, "Lands of the Abbey Homestead Association" a copy of which map is filed in Book 1 of Maps at page 14 San Mateo County Records; thence from said point of beginning and leaving said Corporate Limits Line, South Easterly along the said line of Atlanta Street and its South Easterly prolongation to the center line of Hoffman Street; thence South Westerly along the center line of Hoffman Street to its intersection with the South Easterly prolongation of the North Easterly line of Florence Street; thence North Westerly along said prolongation and the North Easterly line of Florence Street to the present Corporate Limits Line at the North Westerly line of Lot 3, Block 64 of said Abbey Homestead Association; thence North Easterly along the said Corporate Limits line to the point of beginning.

BE IT FURTHER RESOLVED, that Tuesday, the 13th day of September, 1954, at the hour of 8:00 P.M. at the City Council Chambers, located at the City Hall of said City of Daly City, California be, and the same is hereby fixed as the day, hour and place when and where any person owning real property within such territory so proposed to be annexed and having any objections to the proposed annexation, may appear before the City Council and show cause, if any there be, why such territory should not be so annexed.

BE IT FURTHER RESOLVED, that the City Clerk of said City be, and he hereby is, authorized and directed to cause a copy of this resolution to be published once a week for two (2) successive weeks prior to the day and hour fixed herein for said hearing, in The Record, a newspaper of general circulation published in the City of Daly City.

BE IT FURTHER RESOLVED, that at any time not later than the hour set for hearing objections to the proposed annexation of any owner of property within the territory proposed to be annexed may file written protest against the proposed annexation in accordance with the provisions of that certain act of the Legislature, known and designated as "Annexation of Uninhabited Territory Act of 1939."

I hereby certify the foregoing to be a true copy of a Resolution adopted by the City Council of Daly City, California, at a regular meeting thereof held on the 26th day of July, 1954, by the following vote of the members thereof:

AYES, and in favor thereof, Councilmen: DeBernardi, Dennis, Vickers, Wilson, Verducci.

NOES, Councilmen: None.

Absent, Councilmen: None.

B. C. ROSS
City Clerk of the
City of Daly City

APPROVED:
J. J. Verducci
Mayor of the City of Daly City

Rec Department To Revive Vehicle Day

A revival of a favorite event in past years is fast approaching. Because of many requests the Recreation Department decided to bring back Vehicle Day Thursday, August 12.

Whether you're a toddler or a teenager you can in on this. Just get out those coasters, bikes, buggies, and anything on wheels and get them prettied up," the department said. There will be prizes for the best decorated, the funniest, the most original. Each park will build its own coaster to compete. Races of all types, pie eating, watermelon, obstacle courses and the like will be in progress and to top it off, a wienie roast.

"So start planning and painting and remember Vehicle Day, August 12, at Marchbank Park," the department added.

DALY CITY "QUARTERBACK" IS NOW TOSSING FOR CLEVELAND INDIANS

In 1949 Don Mossi graduated from Jefferson High school, with the reputation of one of the top T-formation quarterbacks in Northern California.

Five years later Don isn't calling signals from the T, but he's winning himself acclaim as one of the most promising left-handed pitchers in the American league today.

At this writing, the 6-foot, 195-pounder, has won four games, losing only one for the Cleveland Indians, where he is in his first season in major league baseball.

The mild-mannered youngster who was twice named first string quarterback on the All-Northern California grid team while at Jefferson, is playing baseball today because, "You last longer."

Some To Go

At the relatively tender age of 24, Mossi promises to have quite a few profitable years left in organized baseball, if his yearling performance is any criteria.

When Cleveland signed the Daly City tosser last winter, his 12-12 record at Tulsa hardly tabbed him for a permanent job at Cleveland stadium.

But the gap left in the Cleveland pitching regiment after Gene Bearden faded in 1948 was still there. The Tribe manager, Al Lopez, recognized Mossi as the material to fill this spot. He was right.

Mossi, capitalizing on a swift roundhouse curve, has become the Indians Grade A reliefer.

In a recent contest, he got his first starting assignment.

"Magnificent"

Until Al Rosen replaced him to pinch-hit in the seventh inning, Mossi had allowed only four hits. He fanned eight, and as a Cleveland daily newspaper described him, "He was magnificent."

Four wins for a freshman is terriffic, but Mossi's single loss can hardly be called an inferior performance. The contest, against Detroit, went 11 innings before Mossi and the Tribe quit the field, losing, 1 to 0.

Unofficially, Mossi has a 1.3 earned run average. A lot of big leaguers would be ecstatic to do as well.

At talk with Mossi would hardly indicate a youth that walks out on the field as a giant-killer, and strikes out the best of the Champion New York Yankees. But he does.

Quiet Man

Mossi could be billed as the quiet man" of the Indians.

After an exceptionally good performance recently, Cleveland traveling secretary Spud Goldstein told him, "Nice going, Don."

"Thanks," was Don's capsule acknowledgement.

"Don't be a blabbermouth," said Goldstein.

When playing football here for Jefferson, Don was tabbed, "The most accurate passer in prep ball."

Asked how good he was on the gridiron by Cleveland associates recently, Mossi shrugged. After his friends told him to fess up, because they knew about his record, Mossi said, "I was first team, All Northern California.

Football scholarship offerings came from far and near.

But it was no soap to Don, who says you "last longer" in baseball.

Don has already "lasted" more than four years in the professional ranks.

Dozen Years

But he's been in the game for a dozen years, introduced to the horse-hide when he was 12 years old by Joe Sarto, well-known local patron of sports.

After a stint with Sarto (Mossi has competed with Sarto A.C. in recent years during the off-season) and graduation from high school, he accepted an invitation to pitch in a semi-pro game for the Bartenders union in San Francisco.

It was only a one-night stand, but it probably was one of the greatest single factors in putting Don where he is today.

Gordon Jones, a Cleveland scout, was in the audience. He liked what he saw and before Mossi was out of the showers, Jones was talking turkey with Mr. and Mrs. Lou Mossi, his parents.

Don signed with the Indians and his first trial was at Bakersfield, where they called him "good." Good enough, in fact, to be sent to the Tribe's "school for pitchers" in Pennsylvania. He trained there for two months, then was moved to Wichita, where his performance was nothing short of excellent.

50-50 Mark

Next stop was Dallas, and then to Indianapolis. Shortly after that the Tribe signed a working agreement for Mossi with the Cincinnati Reds, who sent him to Tulsa. Tulsa found the big portsider winning a dozen, but the loss side of the ledger showed the same figure.

That made no difference to Lopez. In fact his enthusiasm over Mossi, for a manager, was almost rapture: "That's our boy. He's the left-hander we've been looking for. He has control. He's fast and has an explosive curve. He has everything needed to make a good relief pitcher."

Don is a true Daly City patriot. Although he's made the big time, he plans to buy a home here. While a schoolboy, he lived at 163 Station avenue with his parents. In fact he lived here until a year ago, when his parents moved to Redwood City.

He and his wife, Eunice, and two children, Don Jr., and Linda, have made their temporary off-season home in Redwood City.

Local folks may be seeing Don living in Daly City again. But it probably won't be until after October. From where we sit, it looks like Don Mossi and the Cleveland Indians will be playing a long season this year—right into the World Series.

SARTO A. C. NIPS NATIVE SONS IN 11 INNINGS

Fumbling a two-run lead in the eighth inning, Sarto A.C. salvaged the win in extra innings Sunday, topping Native Sons, 6 to 5, after 11 frames.

The Sons tied it up in their half of the eighth with two tallies on three hits off Lowell Creighton.

Sarto picked up the winning run in the eleventh frame when Bob Zucca doubled, stole home. Rich Costa squeezed in Al Romero, who was on third, to give the AC what proved to be a bonus run.

Bob Gomes, short stop, paced Sarto hitters with four successful tries in five trips to the plate.

Sarto's Creighton went for eight innings, giving up eight hits, four runs, eight walks and seven strike outs.

Don Henson relieved Creighton in the ninth, allowing six hits, one run, three walks and striking out two.

Sarto treks to Tiburon Sunday to face that city's team at 2 p.m.

SIGN OF GOOD DRIVER

Watch an expert driver as he takes the curves, suggests the California State Automobile Association. You'll see he slackens speed before entering the curve, feeds gas gently as he rounds into it, goes back to normal speed as he comes out onto the straightaway again.

Going for his fifth win Tuesday night, Cleveland's Don Mossi was defeated by the virus.

Starting against the defending champion New York Yankees, over which he already has two wins, Mossi had to be relieved at the close of the first inning after he was stricken with an intestinal virus.

It was a bad night all the way around for the league leading Indians, as they went on to drop a 2-1 decision to the Yanks.

During Mossi's abbreviated spell on the mound, he was winning. In th first half of the frame the Indians Larry Doby smacked a homer. Mossi struck out the first two New York batters and got the third man on a put-out, to retire the side with no runs, no hits, giving him a 1-0 advantage.

Since he only went one inning, the loss will ot be charged to Mossi.

He is expected to be back in action in about 10 days.

WITH CLEVELAND stadium as a backdrop, Daly City's Don Mossi dishes up one of the rapid left-handed offerings that is winning him fame and games in the American league as the Tribe's top relief pitcher. Mossi was "born and reared" in Daly City baseball circles, competing with the Sarto A.C. for many years, and with Jefferson High school, where he was more renowned for "pitching" the football than the seamed horsehide.

DC Midgets Keep Unbeaten Streak With Win Over SP

The undefeated D. C. Midgets anchored a birth in the championship playoffs by beating a stubborn Sharp Park team 6 to 5, Tuesday.

Vic Kulek was declared the winning pitcher while teammates Rich Morales collected a home run and two doubles. Barry Krohn had three triples in three trips.

Sharp Park No. 1 took a five-run lead in the first inning over the Broadmoor Eagles, then coasted to a 14-1 win in cinching the contest. Bat leaders were Wally Prouty, John Kelly and George Damron.

In another contest the Broadmoor Yankees won easily over the Broadmoor Giants, 9 to 0, to also cinch a spot in the championship playoffs.

The playoffs for first place will be held on Tuesday, August 24, at 6:15 p.m. at Jefferson Union High school on the main diamond and the second game will be held on Tuesday, August 31. Should a third game become necessary, it will be held on September 7.

Brisbane Spooks Upset Westmoor

July 29's "B" contest in the Adult Basketball league resulted in an upset as previously undefeated Westmoor went down to defeat in an overtime period by a fast moving "spook" club from Brisbane.

The lead see-sawed back and forth and with 20 seconds to go in the regular playing period George Rocchi hit for two points to tie up the score. The overtime period was replete with fouls as Westmoor ended the game with only two players on the floor.

The final score was 34 to 31. High man for the winners was Andy Ruelas with 10 points followed by Rocchi with eight. Lee Poston led the losers with 12 points.

Westmoor still has clinched the title with six wins and one defeat.

The varsity tilt saw the Gravediggers come out on top of Westmoor by a score of 43 to 31. The lead changed continually throughout the first three quarters until Westmoor tired and the Gravediggers were able to obtain a commanding lead. Wally Honeywell led the winners with 12 points and played a fine floor game, continually stealing passes from the opposition. Babe Anguillo followed with 11 points on long one-handed push shots. John Madden led the Westmoor contingent with 13 digits and topped all scorers for the night.

The Gravediggers, by virtue of winning the contest, have cinched at least a tie for second place.

MARCHBANKS IN BIG ROUT OVER OLYMPICS TEAM

A foggy sky and chilly breeze failed to dim the spirit of the young athletes as over 125 youngster turned out to compete in the annual Junior Olympics Saturday.

Marchbank Park's entrees far outnumbered their opponents but this only served as an incentive for the others to win. Every event was filled with excitement and suspense but a few were standouts. For 25 minutes the spectators held heir breaths as Bob Grubb and Ino Patron battled it out for first place in the high jump. Finally Ino took the event with a jump of 4' 11½". Sonny Martinez and Mike Steele took first in their class. Jeffersonian Jim Honeywell booted the pigskin for a distance of 141 feet to beat out his competitors while Joe Stagnaro took the B's with 108 feet and Billy Kane the C's with 69 feet. Paul Tapia, Rocket first baseman, hurled the softball for a total of 228 feet to outdistance all others. The center entrees, Bob Pool, Dick Joy and Anthony Guillory, and Westlakers John Sarro and Leonard Jacobson shared honors in this same field.

The flying feet of Jack Bautista got away from him as he stumbled badly in the 50 yard dash but he still managed to take third. Jack showed real courage when he went on to victory with his teammates Lenny Lemendala, Paul Tapia and Sonny Martinez in the 200 yard relay.

Corkey Balsano, Judy Larcher, Lala Patron, Pat Kennedy proved a winning team for Marchbank while Pat Leoni, Sharie Parkinson, Linda Budges and Frances Richardson were stars for their respective playgrounds. Cathy Rasmussen showed the boys up when her softball throw outdistanced all but two.

The final scores were:
Marchbanks, 260; Community Center, 47; Westlake, 59.

RESULTS

Football Kick

Class A—Jim Honeywell, Ino Patron, Bob Grubb, Boyd Hillyer; Class B—Joe Stagnaro, Anthony Guillory, Joe Guillory, Bob Davies; Class C—Bill Kane, Jim Millet, Doug Bradford, Len Jacobson.

High Jump

Class A—Ino Patron, Bob Grubb, Jim Honeywell, Marty Finnerty; Class B—Sonny Martinez, Vicy Lewkowitz, Barry Beiner, John Miller; Class C—Michael Steele, Tom Enberg, Rickey Craig, Danny Craig.

Accuracy Throw

Class A—John McKenna, Sonny Sarro; Class B — L. Kane, M. Kordoules, B. Whalen, S. Kulik.

Softball Throw Distance

Class A—Jim Honeywell, Bob Pool, Ino Patron, Dick Joy; Class B—Paul Tapia, Anthony Guillory, Jim Wilson, Ernie Eisner; Class C—Mike Kennedy, John Sarro, Tom Whalen, Len Jacobson.

Fifty Yard Dash

Class A — Bob Grubb, Duane Hale, Dick Joy, Bob Belforte; Class B — Paul Tapia, Len Leaendola, Jack Bautista, Dave Dunbar; Class C — Billy Farber, Jerry Morgan, Tom Enberg, Doug Bradford.

Seventy-five Yard Dash

Class A — Jim Honeywell, Ino Patron, Marty Finnerty, Boyd Hillyer, Class B — Sonny Martinez, Ernie Eisner, Lefty Solari, Bill Taylor; Class C—Jim Millet, Tom Whalen, Mike Kennedy, Bob Rector.

Two-hundred Yard Relay

Class C—Tom Whalen, Dave Iwahashi, Mike Kennedy, Jim Millet.

Two-hundred Yard Relay

Class C—Hank Smith, Stan Kirlick, Dick Reese, Billy Farber; Girls Class B—Corky Balsno, Turphy Rasmussen, Kathy Rasmussen, Lala Patron.

Three-hundred Yard Relay

Class A — Ino Patron, Jim Honeywell, Bob Grubb, Dan Curten, Mike Wedlake, Lefty Solari, Marty Finnerty, Hank Foge; Class B—Jack Bautista, Paul Tapia, Len Leaendola, Sonny Martinez, Evie Katz, Al Boyagan, Howie McKee, Dave Dunbar; Girls Class B—Pat Kennedy, Barbara Jones, Margaret Jones, Judy Larcher.

Girls Standing Broadjump

Class A—Corkey Balsano, Judy Larcher, Pat Leoni; Class B—Barbara Jones, Margaret Jones, Lela Patron, Turphy Rasmussen.

Girls Soccer Kick

Judy Larcher, Corkey Balsano, Pat Kennedy, Vickey Hennessy; Class B—Lala Patron, S. Parkinson, Turphy Rasmussen, Linda Bridges.

Girls Accuracy Throw

Cathy Rasmussen, Corky Balsano, Judy Larcher; Class B—Turphy Rasmussen, S. Parkinson, Lala Patron, Barbara Jones.

Girls Softball Throw Distance

Kathy Rasmussen, Judy Larcher, Pat Leoni, Vickey Hennessy; Class B—Lala Patron, Linda Bridges, Sharie Parkinson, Pat Kennedy.

Girls Fifty Yard Dash

Lorrine Balsano, Judy Larcher, Kathy Rasmussen; Class B—Margaret Jones, Sharie Parkinson, Barbara Jones, Pat Kennedy.

Girls Seventy-five Yard Dash

Class A—Sue Anderson, Pat Leoni, Joan Malloy; Class B—Lala Patron, Turphy Rasmussen, Linda Bridges, Frances Richardson.

Beavers Upset In Protested Contest

The sixth place Sartos No. 2, behind the classy pitching of Dick Reese, found themselves in third place as they upset the first place Westlake Beavers, 6 to 4, in a Little league contest Saturday.

The game was played under protest from the third inning on, when with the bases loaded, the Beaver catcher appeared to interfere with the bat of Dick Reese. The umpire then moved young Reese to first, scoring John Vivel from third. At this point the score was 4 to 2 in favor of the protesting Beavers. With two outs Vic Kulick then laced a double scoring Jeff Pearlman and Don Cubic tying the score at 4 to 4. Reese then pitched two-hit ball for the remainder of the game as his team mates picked up two more runs in the last inning to win 6 to 4. The Beavers were limited to seven hits by pitcher Dick Reese as he gained his second win in two starts, while Joe Millet allowed Sartos No. 2 nine hits and 11 strikeouts.

This loss to the Beavers gives them a 5-1 record, thus tied for league leadership with Sartos No. 1. Bat leaders for Sartos were Mike Kennedy, John Vivel and Jeff Pearlman, all with 2 for 3.

Sartos No. 1 behind the three hit pitching of Billy Whalen proved to be too much for the seventh place D. C. Raiders as they overpowered them, 13 to 2. Sartos picked up two runs in the first frame and the Raiders matched them. In the third inning, the Sarto club went into high gear and added three more tallies while in the fifth inning, seven more runs were scored. This win gave Whalen his fourth win in four starts. Whalen helped his cause along as he collected a homer, triple and a single. Also getting two or more hits were Mike Kordoulas, George Clause, Larry Kane, Rich Morales and Don Kalinin. This win gives Sartos No. 1 a 5-1 record to tie them with the Westlake Beavers for league leadership.

In other contests Brisbane moved into fifth spot as they downed Holy Angels, 6 to 2. Walt Carlson fanned 13 batters and allowed only three hits for the Brisbane Tigers.

Junior League

Sharp Park beat Brisbane 6 to 1 as Tex Prentice pitched a one hitter. Prentice was working on a no-hitter until the fateful seventh when Don Reitz laced a sharp single spoiling the no-hitter. This loss placed Brisbane in second place but still assured them a spot in the play offs later on this month. Tex struck out nine batters and issued six walks. Cliff Barrott, Jim Willis, Tex Prentice, Barry Wight. Hank Caldwell and Jerry Prouty all hit safely.

In other games, the Eagles beat Lombardi's A.C. 11-1 and the third place Suds trounced Broadmoor, 10 to 2.

THIRTEEN BATTLES PROVIDE THRILLS FOR CROWD AT BOXING SHOW

Thirteen punch packed boxing matches thrilled the more than 180 spectators who witnessed the recreation department's first boxing show Friday night.

The audience, who contributed more than $100 toward the "Boys' Recreation Fund" accepted the show with such enthusiasm that the recreation department has been encouraged to present another show in the near future.

In one of the evening's most exciting bouts, Bruce Lovazzano scored a third round technical knockout over Steve Drosos of Mission High school. Outweighed by almost ten pounds, Lovazzano's educated left jab and potent right cross were too much for Drosos.

The feature match of the night was stopped in the second round when referee Joe Brown awarded Ray Torres a T.K.O. win over Dan Messina in a slam-bang slug fest. Messina, who was extremely disappointed in his showing, would like the opportunity to reverse the decision. Torres recently returned from a stint in the Marine Corps, is a tough two-fisted battler and shows considerable boxing potentiality.

A special event one-fall wrestling match between Marcus Bonella, age 4, and Eddie Montoya, age 5, all but stole the show as the tiny grapplers wrestled three minutes to a draw. The spectators were off their seats, cheering wildly throughout the entire match.

Lanky Bill Long, one of the community center's most talented boxers, had his work cut out for him in his match with rough Ernie Cassidy. Cassidy, a wild swinging, hard punching youngster, refused to allow his taller opponent to utilize his superior boxing skill. Long was equal to the occasion, however, as he won a close three-round decision over Ernie.

The results of the complete card are as follows:

Willie Taylor dec. Jerry Morgan; Ernie Montoya dec. Mike Humsperger; Larry Taylor drew with Bruce Snyder; Matt Jones dec. Roger Stahl; Ronnie Montoya dec. Frank Burger; Dan Rasmussen dec. Joe Castro; Bruce Lovazzano tko'd Steve Drosos (3rd); Frank Marborana dec. Tommy Scott; Joe Cardinelli dec. Rodriquez Uribe; Ted Amirkahn dec. Dave Herzog; Bill Long dec. Ernie Cassidy; Ray Torres tko'd Don Messina (2nd).

Special Event wrestling bouts results were: Marcus Bonella drew with Eddie Montoya; Bill Pickering pinned Jan Moltke; Terry Fairchild pined Bryan Egan; Tommy Wallis drew with Dan Pusatero.

In a tag team match Terry Fairchild and Jerry Morgan won over Bob Davies and Bill Biggam. Fairchild pinned Biggam in five minutes, 30 seconds.
